Counseling and Psychotherapy with Pentecostal and Charismatic Christians Geoffrey W. Sutton, 2020-09-16 a well written comprehensive and very helpful guide to understanding and counseling Pentecostal and Charismatic Christians It is a substantial and unique contribution to Christian counseling and also to the field of counseling and psychotherapy

Back cover COMPASS THERAPY: Christian Psychology in Action Dr. Dan Montgomery, 2008-10-14 Compass Therapy not only bridges the gap between psychology and Christianity but makes sense of personality disorders as never before delivering the Human Nature Compass and the Self Compass growth tools for immediate application by therapists pastoral counselors and clinical chaplains Dr Ray Anderson Fuller Seminary's Senior Professor of Theology and Ministry writes I am

not aware of any other book that succeeds as well as this one in providing both professional therapists as well as Christian counselors with a theoretical and practical model that combines psychology and theology in an integrated way It has a profound simplicity that covers a wide range of personality disorders Readers will say Now I see why typical patterns of dysfunctional and disruptive behavior have a common root but also a specific cause Put it on top of your reading list

Therapy Thieves Francis A. Martin, 2020 Why are we practicing counselors and psychotherapists committed to failure This is the question that has haunted Dr Francis Martin as he has cataloged well over 20 000 distinct psychotherapy approaches advertised on the websites of licensed mental health professionals No doubt some of these are harmful most of them ineffective and many simply made up but the sheer volume of such techniques and practices advertised by licensed professionals holding advanced degrees whose services are billed to clients and insurance companies calls the credibility of the entire mental health profession into question Based on significant original research that joins research from others this book describes a near universal crisis in mental health care and recommends ways to rescue the field from itself The crisis is caused by declining competence among counselors and psychotherapists who have failed to regulate themselves and who therefore deliver inadequate if not harmful services The book calls for major specific and urgently needed reforms

Psychotherapy of the Religious Patient Moshe HaLevi Spero, 1985 *Mental Health* Mark P. Cosgrove, James D. Mallory, 1977 The central elements of a Christian approach to mental health and psychotherapy are examined These elements include an examination of the nature of man the sources of mental problems and the goals for mental health With this as a basis five distinctive elements that Christian psychotherapy contributes to the actual counseling process are discussed

Counseling and Psychotherapy with Pentecostal and Charismatic Christians Geoffrey W. Sutton, 2020-09-17 The purpose of this book is to help mental health professionals increase their cultural competence to better serve Pentecostal and Charismatic Christians who are congregants in the world's fastest growing religious movement My focus is twofold First I aim to increase the reader's awareness and knowledge about Christians who live their faith within Pentecostal cultures Second I hope to increase the reader's knowledge about the assessment and treatment of Pentecostal and Charismatic Christians with mental health needs based on a review of research and recommendations from experienced clinicians My approach to assessment and treatment is the commonly held view that best practices are holistic Therefore I will attempt to integrate Pentecostal and Charismatic spirituality with assessment and treatment in ways that respect the spirituality of the person seeking treatment and enhances therapeutic outcomes The first part of the book can help all readers understand people who live into that religion The second part of the book is a practical and insightful guide to effective helping for psychological difficulties I highly recommend this book to anyone who seeks to understand and help Pentecostals and Charismatics Everett L Worthington Jr Commonwealth Professor Emeritus a well written comprehensive and very helpful guide to understanding and counseling Pentecostal and Charismatic Christians It is a substantial and unique contribution to

Christian counseling and also to the field of counseling and psychotherapy I highly recommend it as essential reading for everyone interested or involved in counseling Pentecostal and Charismatic Christians Rev Siang Yang Tan PhD Senior Professor of Psychology Fuller Theological Seminary and author of Counseling and Psychotherapy A Christian Perspective and Shepherding God's People a must read not only for Pentecostal and Charismatic counselors but for anyone in the mental health field Tony Richie D Min Ph D Associate Professor of Theology Pentecostal Theological Seminary Cleveland TN
