[Spent behind the Wheel](#) Julietta Hua, Kasturi Ray, 2021-12-21 Exploring professional passenger driving and the gig economy through feminist theories of labor Are taxi drivers in today s era of the ride hail app performing care work akin to domestic and household labor So argue the authors of [Spent behind the Wheel](#) Bringing together sociological and legal perspectives with feminist theoretical insights Julietta Hua and Kasturi Ray examine the case study of contemporary professional passenger driving in the United States On the one hand they show the rise of the gig economy has brought new attention to the industry of professional passenger driving On the other hand the vulnerabilities that professional drivers experience remain hidden Drawing on interviews with drivers labor organizers and members of licensing commissions as well as case law and other published resources Hua and Ray argue that working for ride hail companies like Uber and Lyft shares similarities with driving for taxi companies in the impact on driver lives Lyft and Uber sell the idea of industry disruption but in fact they entrench long standing modes of extracting the reproductive labor of their drivers for the benefit of consumer lives Reproductive labor conventionally

understood as feminized labor is extracted but masked behind the masculinized racialized bodies of drivers Professional driving is thus best understood alongside domestic and other gendered service work as reproductive labors devalued and often demonetized to benefit the national economy *Spent behind the Wheel* is a must for readers interested in critical studies of technological change and the gig economy showing how drivers capacities are drained for the benefit of riders corporations and the maintenance of the racial state      **Ultimate Gig** John T. Fleming,2021-03-25 Ultimate Gig will serve to answer questions and help gig providing companies and workers make decisions by informing inspiring and motivating as well as serving as a teaching tool Most importantly it will give the reader a better understanding of the most significant labor revolution in the past 100 years as to how work can be done      **Cybersecurity** Tugrul U Daim,Marina Dabić,2023-08-23 Cybersecurity has become a critical area to focus after recent hack attacks to key infrastructure and personal systems This book reviews the building blocks of cybersecurity technologies and demonstrates the application of various technology intelligence methods through big data Each chapter uses a different mining method to analyze these technologies through different kinds of data such as patents tweets publications presentations and other sources It also analyzes cybersecurity methods in sectors such as manufacturing energy and healthcare      Heavy Debt Lifts Amelia Green,AI,2025-02-27 Heavy Debt Lifts offers a practical guide to achieving financial freedom through a combination of strategic budgeting and income augmentation via side hustles It emphasizes that while budgeting is essential for debt reduction it might not be enough on its own similarly side work without a budget can lead to continued financial stagnation The book argues that conscious spending aligned with personal values coupled with diverse income streams is the key to escaping debt The approach begins by dispelling budgeting misconceptions showcasing it as a tool for conscious spending rather than deprivation Heavy Debt Lifts then explores various side hustles helping readers identify opportunities based on their skills and interests The book examines strategies for maximizing earnings and addresses important factors like time management and tax implications Structured in three parts the book progresses from core concepts of budgeting and debt management to exploring the world of side hustles culminating in a step by step plan for creating a personalized debt reduction roadmap This approach ensures that readers gain a comprehensive understanding of how to combine rigorous budgeting with strategic side work ultimately empowering them to take control of their financial future and achieve lasting financial security      **Minnesota Law Review** ,2016      **The Directory of U.S. Trademarks** ,1992      Vanity Fair ,2015      *The Compu-mark Directory of U.S. Trademarks* ,1990      *Personal Password Logbook* micon red,2020-08-22 If you re ready to keep all your usernames and passwords in one safe secure stylish password book We have the perfect Internet Password Book for you If you are looking for a perfect Personal Password logbook with alphabetical tabs this book is a great choice for you This Internet Password Logbook Large Print with Tabs contains a lot of blank login sets for you to record The pages are in alphabetical tabs so you can find easily and quickly find what you re looking WHAT S INSIDE App and Social Login Keeping Computer Login Keeping

Phone and Tablet Login Keeping wifi Login Keeping Emergency contact Keeping Internet Password Login Keeping Plenty of space 120 pages Alphabetized tabs Premium glossy finished cover design Perfectly sized at 6 x 9 Printed on high quality Personal Internet Password Logbook Organizer with Alphabetical Tabs is designed to keep all your Private Information and important website addresses usernames passwords The Personal Password Logbook is also a great gift idea for Birthday Gifts Christmas Gifts Meeting New Friends Gifts Family Gifts New Years Gifts Surprise Gifts For Anyone And more     **Username Password Book** Booksy Publishing,2019-11-10 Keep all your online login details safe and secure with this username and password book All your login passwords and usernames and lots more can be kept away from prying eyes with this internet password log book allowing you to be confident that no one else has access to your accounts When you think about it we regularly login to our favorite sites where passwords and usernames are required but we also use the internet to access things like our store accounts bank accounts and social media accounts and so on That s a lot of information to remember so a written record like this username and password keeper is very often the best way to do so Most website and password books only allow you to record the sparsest details like the website s URL and your username and password but this one lets you record additional information such as When you opened an account or subscribed to an account on a website Whether it was free to subscribe or if you had to pay If you had to pay how much it was and how you paid for it If you unsubscribed the date you did so Any ID or PIN that you had to create The email address that you used to subscribe to the site many people have more than one email account and it can be frustrating if you can t remember which one you used see below for more details about email accounts Sometimes you have to create a security question and answer this website password book gives you space to record those as well And if that s not enough there is also a space to make notes within the password username section People still love the feel of a physical book even in this digital age and this book goes the extra mile to give you value for money Each page is alphabetically ordered There are 150 pages in total allowing you to record login details for 284 websites At the rear of the book there are sections in which you can record details of all your email accounts personal and work etc together with a space to add notes Also at the back of the book is a stand alone Notes section in which you can record anything you like for instance your house alarm number your phone PIN credit debit card information home network information Wi Fi password and network ID software license registration numbers the list goes on it s up to you how you use this space The book itself is a flexible paperback measuring 6 wide x 9 high and the cover is a matte finish Even with all that it has going for it and all the features and benefits within it this book is still very competitively priced and we at Booksy Publishing believe it is the best password organizer for your needs And of course should you buy the book and not be satisfied with it you are covered by Amazon s returns policy Get your copy now
