Stark, **The Old Gays Guide to the Good Life** Mick Peterson,Bill Lyons,Robert Reeves,Jessay Martin,2023-11-28 From America s most beloved foursome the TikTok sensation oldgays a book of unexpected aspirational advice and inspirational stories drawn from their decades of living from pre Stonewall to the rise of the LGBTQ movement to gay marriage and beyond Ranging in age from sixty seven to eighty Mick Jessay Robert and Bill are the real life Golden Girls of the social media era a quartet of old gays whose hard won confidence and awesome authenticity have taken the culture by storm They are

America's queens and more important they are survivors whose lives have been transformed by sweeping cultural change. In this fabulously fun and entertaining book they share their stories: humorous, heartbreaking, shocking, and profound tales that only older gay men can tell. It was their generation that was devastated by AIDS, a health crisis that deprived us of so many brilliant creative lives, including many of their friends. In this delightful group memoir, Mick, Jessy, Robert, and Bill tell all about their lives, revealing who they are beyond TikTok, where they came from, and how they found one another. They offer their collective wisdom on a rainbow of topics, including coming out, sex, gay liberation, gay marriage, AIDS, aging, and saving the best act for last. Outrageous and hilarious, refreshingly earnest and unfiltered, engaging and insightful, they've been through it all: harassment, divorce, depression, bankruptcy, even near-death experiences. Between the four of them, there's not much of life they haven't seen or done, and now they dish on everything from fitness and fabulous dinner parties to church and orgies. An intimate and moving portrait of four friends who have experienced the good, the bad, and the ugly, and are still looking forward to the best that is yet to come. *The Old Gays Guide to the Good Life* is a celebration of lives lived to the fullest, sometimes against all odds, a lesson for all of us that age is just a number and that getting older can be audaciously fun.

Turban, 2017-10-12 This new Edition of *Electronic Commerce* is a complete update of the leading graduate level advanced undergraduate level textbook on the subject. Electronic commerce (EC) describes the manner in which transactions take place over electronic networks, mostly the Internet. It is the process of electronically buying and selling goods, services, and information. Certain EC applications, such as buying and selling stocks and airline tickets online, are reaching maturity, some even exceeding non-Internet trades. However, EC is not just about buying and selling; it also is about electronically communicating, collaborating, and discovering information. It is about e-learning, e-government, social networks, and much more. EC is having an impact on a significant portion of the world, affecting businesses, professions, trade, and, of course, people. The most important developments in EC since 2014 are the continuous phenomenal growth of social networks, especially Facebook, LinkedIn, and Instagram, and the trend toward conducting EC with mobile devices. Other major developments are the expansion of EC globally, especially in China, where you can find the world's largest EC company. Much attention is lately being given to smart commerce and the use of AI-based analytics and big data to enhance the field. Finally, some emerging EC business models are changing industries, e.g., the shared economy models of Uber and Airbnb. The 2018 9th edition brings forth the latest trends in e-commerce, including smart commerce, social commerce, social collaboration, shared economy, innovations, and mobility. *International(es) Seminar On/über Ergonomics Applied to Forestry*, 1983 **FRICION—The**
