Facebook Near Me:

Cracking Facebook Maria Leena Korpiaakko, 2015-10-30 This book presents a Facebook study on members of the Cusp Generation or those born before the great digital divide of 1995 This delineation allows for a discussion on the possible socio cultural implications of Facebook use for people of all ages Members of the Cusp Generation are in a unique position as part digital natives to easily acquire and use new media technologies while being more critically aware of the personal social and cultural effects that may arise from them thanks to having some memory of the pre digital era Drawing on identity theories rooted in critical theory and cultural studies the author shows that there are potential constrictions on people s agency in their Facebook use caused by consumer discourse Facebook s hyperreal nature and structure psychological predispositions and the potential for avatar attachment In raising concerns over the impacts of technology based communication this book explores how the medium of Facebook extends and exacerbates processes of offline social reproduction and discusses how the positive social and political aspects of Facebook can be enhanced The findings contribute to academic discussions in the fields of cultural studies and Education and can be applied to the development of critical media literacy for curriculum and pedagogy

Me and My Cell Phone Crystal Powell, 2012 Kindled by her own intimate history with her cell phone and a growing curiosity about information and communication technologies in general Powell discusses her thoughts reactions to and interpretations of some of the literature on these technologies She draws on and reviews contributions by some authors on the social shaping of ICTs and social media to offer a more complete understanding of technology in relation to those who use and are used by it From publisher description

Online Journalism in Africa Hayes Mawindi Mabweazara, Okoth Fred Mudhai, Jason Whittaker, 2014-01-21 Very little is known about how African journalists are forging new ways to practise their profession on the web Against this backdrop this volume provides contextually rooted discussions of trends practices and emerging cultures of web based journalism s across the continent offering a comprehensive research tool that can both stand the test of time as well as offer researchers particularly those in the economically developed Global North models for cross cultural comparative research The essays here deploy either a wide range of evidence or adopt a case study approach to engage with contemporary developments in African online journalism This book thus makes up for the gap in cross cultural studies that seek to understand online journalism in all its complexities

The Real World Reader James S. Miller, 2015 From academic essays to blogs magazine articles to social media posts newspaper editorials to public service announcements and advertisements to emails The Real World Reader brings together a wide collection of formal writing with an equally diverse array of popular writing from everyday life This innovative rhetorical reader for first year composition courses divides the process of rhetorical analysis into logically sequenced steps that focus on five key concepts purpose audience argument voice and credibility Author James Miller encourages students to use this step by step process in order to identify analyze and master the multiple modes of writing that they will encounter at school work and home Features Uses a

rhetoical framework to teach writing rather than examining different modes of writing in isolation and reveals what all forms of writing have in common Introduces rhetorical concepts through a variety of informal and formal writing examples showing students how rhetorical patterns intersect Combines step by step writing instruction with a scaffold of sixty seven diverse readings allowing students to critically write and read four distinct types of selections informal formal and academic selections and sample student essays Connects rhetorical analysis to cultural analysis with content that ranges from debates on multiculturalism to discussions of online privacy and from critiques of modern political campaigning to analyses of modern consumerism Focuses on familiar real world writing demonstrating the important role that writing plays in everyday life

Outlook ,2008-02-25 *Digital Competition Law in Europe* Marc Wiggers,Robin Struijlaart,Joost Dibbits,2023-07-14

Digital competition a term and concept that has risen to the forefront of competition law may be viewed as both promising and cautionary on the one hand it brings the promises of increased speed efficiency and objectivity and on the other it entails potential pitfalls such as hard to identify pathways to unfair pricing dominant positions and their potential abuse restriction of choice and abuse of personal data Accordingly jurisdictions around the world are taking measures to deal with the phenomenon In this concise but thoroughly researched book both informative and practical lawyers from two prominent firms with specialised digital competition teams take stock and examine the state of digital competition in the enforcement practices of six competition authorities in Europe most of these forerunners in the field of digital competition policy and enforcement The competition authorities surveyed are those of the European Union the United Kingdom France Germany the Netherlands and Belgium For each an overview spanning the period from 2012 to mid 2022 but including as many landmark cases as possible up to and including December 2022 includes not only landmark cases in which digital technologies have had a significant impact on the competition law outcome but also guidance documents such as speeches policy statements industry surveys and research reports Activities and enforcement practices of the various authorities include the following and more degree of activity focus of the activity enforcement styles enforcement instruments visible effectiveness of enforcement and important insights and outlooks Each overview contains separate chapters on cartel prohibition the prohibition of abuse of a dominant position and merger control Additional chapters partially written by guest authors who are all without a doubt true thought leaders Tristan Byrne Giuseppe Colangelo Ai Deng Teodora Groza Daniel M ndrescu Wolf Sauter Thibault Schr pel and Gareth Shier evaluate the similarities and differences in the enforcement practices and the positive and negative effects of digital competition in the jurisdictions investigated the economic context the most important game changers and a concluding chapter offers recommendations An indispensable guide to quickly and accessibly acquiring in depth knowledge of competition law in the digital sector this matchless volume is a must read for any practitioner or academic who encounters competition law related to digital markets The dilemmas and challenges of the new competition law reality which is here already like it or not are clearly explained here for the benefit of regulators academics policymakers
