University Rankings Jung Cheol Shin, Robert K. Toutkoushian, Ulrich Teichler, 2011-06-06 This ground breaking and exhaustive analysis of university ranking surveys scrutinizes their theoretical bases methodological issues societal impact and policy implications providing readers with a deep understanding of these controversial comparators The authors propose that university rankings are misused by policymakers and institutional leaders alike They assert that these interested parties overlook the highly problematic internal logic of ranking methodologies even as they obsess over the surveys assessment of their status The result is that institutions suffer from short termism realigning their resources to maximize their relative rankings While rankings are widely used in policy and academic discussions this is the first book to explore the theoretical and methodological issues of ranking itself It is a welcome contribution to an often highly charged debate Far from showing how to manipulate the system this collection of work by key researchers aims to enlighten interested parties **It's the**

Student, Not the College Kristin M. White, 2015-04-07 The future is in your hands not Harvard's TO All students wondering Can I get into my dream college CC All parents wondering Can we afford it FROM Educational consultant Kristin M White MEMO COLLEGE RANKINGS DON'T MATTER This claim might sound crazy but it's true Research shows that where you go to school makes little difference to future financial success or quality of life personal qualities such as ambition perseverance and a sense of purpose are all more important Kristin M White has helped hundreds of parents and students look beyond the dream school hype and focus on what's most important Now in It's the Student Not the College she shows how to avoid unrepayable debt and set yourself up to grow excel and enjoy yourself at any school Instead of obsessing over GPA cutoffs and SAT scores students will learn how to build a personal Success Profile by adopting the traits that help stellar students make the grade in school and life Plus Why what you do in school counts more than where you go 14 surefire ways to develop your Success Profile as a student and beyond Criteria to consider when choosing a college How to find a good fit for your family's finances And tips for graduating career ready and landing a great first job Expensive elite colleges have too much sway over the minds and bank accounts of students and parents It's the Student Not the College breaks that stranglehold and reveals the real secrets of success
