James Barnes,Terry Morehead Dworkin,Eric L. Richards,2006 For over 20 years Law for Business has gone well beyond merely identifying the current legal rules and regulations affecting business by offering insights into new developments and trends that will affect the future of business It has provided students with a comprehensive yet concise treatment of the legal issues of fundamental importance to business students and the business profession The cases which have always been a strong feature are edited and re written by the authors who divide the material into three categories facts issues decisions The authors Barnes Dworkin and Richards choose cases that are appropriate to explain precedent and history as well as include hot topic cases that relate to current events In addition to case applications the authors use such techniques as content summaries to apply concepts to practice Effective managers and employees must develop knowledge of both law and business because people involved in business also are involved in and greatly affected by the laws concerning business **Minnesota Law Review** ,2015 *Business Law and the Regulatory Environment* Jane P. Mallor,2001 Mallor s 11ed is designed to meet the needs of the two term course The first term is generally required of business majors and the second by accounting majors as it prepares them to sit for the CPA exam The cases in the 11ed are excerpted and edited by the authors however the syntax is not altered therefore retaining the language of the courts However this edition will now include a mix of actual AND hypothetical cases 11ed is easily available for customization Mallor is considered by the marketplace to be the most complete text available **The Modern Law of Contracts** Bruce W. Frier,James J. White,2008 This contracts casebook includes introductions that quickly orient students within unfamiliar territories Cases present both the doctrine applied and in some instances the shortcomings of that doctrine the authors express their disagreement about basic issues so that students can experience the range of possible in modern contract law to save time the authors avoid extensive citation of academic scholarship except as it pertains to the cases being studied Certain traditional subjects such as offer and acceptance and consideration are reduced to the bare minimum where more pivotal subjects such as form contracts arbitration clauses and the modern concept of unconscionability are considered at length
