doesn't work. Customers are tuning out. They no longer listen to in your face messages. Instead they demand meaning in the brands they buy and the marketing that reaches them. Marketing strategist Bob Gilbreath's hot new concept Marketing with Meaning represents the next evolutionary step in a progression following direct marketing and permission marketing. This groundbreaking methodology engages customers and wins their business by adding value to their lives. Rather than pushing a product or service, Marketing with Meaning woos customers by offering them something of value independent of purchase. In *The Next Evolution of Marketing*, Gilbreath unveils a revolutionary new approach to business that fills the gaping voids left in bottom lines when people started tuning out. Gilbreath describes the marketing revolution now underway and the powerful forces driving it. Inside he provides Marketing with Meaning success stories including Samsung's laptop and cell phone charging stations which are now found in more than 50 airports throughout the United States, Dove's Campaign for Real Beauty and its viral video Evolution which has been viewed more than 100 million times, Burger King's Xbox advergames which helped boost the company's profits by 40 percent in one year. This first ever comprehensive model for creating and managing a meaningful marketing campaign uses in depth case studies of successful campaigns and explains how to develop and execute a solid strategy for meeting customers needs. It also arms you with an original set of metrics for precisely measuring the effectiveness of your initiatives. You simply cannot afford to get left behind in advertising's golden age of interrupt, tell and sell marketing. Marketing with Meaning is how your customers demand business be done today and tomorrow. *The Next Evolution of Marketing* is your guide to surviving and thriving in this marketing revolution.
