The Amazing Balancing Man David Linden, 2014-09-30 *The Amazing Balancing Man* By David Linden This is the personal story of one person balancing pursuing his dreams and putting bread on the table Born during the Great Depression to a barber and a homemaker in Albany New York Davids prospects were not very bright However his parents who immigrated from Russia and Austria shortly after World War I instilled in him the belief that you could do anything you wanted as long as you did the work needed to prepare for it He left high school before graduating to work and bring in a little extra income to help out the family This was his first balancing act finish high school or help the family It wasnt a lot of money but it helped stretch the family budget a bit and taught him valuable lessons about doing every job as well as he could and always trying to do better David it turns out was an excellent salesman regularly winning bonuses and recognition for tripling and quadrupling a departments sales Whenever he needed to put bread on the table or a roof over his head David could always get a job as a salesman He was very good at it but was not particularly passionate about sales As a teenager David enjoyed participating in all sports and started developing a love of physical fitness reveling in what he could get his body to do and enjoying the cheers of the crowd when he made a great play It was while learning and practicing diving and some basic gymnastics at a local park with a pool that he started becoming aware of the strength and gratification he received from cheers and applause especially from the attractive girls When the Ringling Brothers Barnum Bailey Circus was came to town and he saw Ove Unus The Talk of the Universe perform a one finger handstand and heard the thunderous applause David knew that was what he passionately wanted to do perform acrobatics for live audiences He taught himself the art building up the necessary physical and mental skills watching others perform and studying pictures of acts to figure out how to do them Along the way he recruited others to join him met and became friends with other performers first in the Albany area and then at Muscle Beach California and around the Western Hemisphere David performed with many circuses around the United States and Canada In 1976 he joined the Harlem Globetrotters for a five month tour of the United States Canada and South America performing his acrobatic and plate spinning acts during half time During one show in South America he had a major fall which left him nearly paralyzed from his waist down In only five weeks he rehabilitated himself and rejoined the tour He continued performing acrobatics and selling shoes and fitness equipment as needed to put bread on the table for another twenty years In his seventies he retired from acrobatics and tried retiring but couldnt stand the quiet so he re invented himself as a stand up comedian The mental and physical preparation for appearing before an audience and the applause for a performance well done are as essential to Davids well being as having blood pump through his veins Without the former the latter is of little importance Ultimately the story is about balancing ones inner passions that define personal success against societys measures of success

Love for Sale David Hajdu,2016-10-18 Named a Must Read by Vanity Fair and BBC One of our sharpest music critics recounts a life immersed in

pop music An engaging history The Wall Street Journal In Love for Sale David Hajdu one of the most respected critics and music historians of our time draws on a lifetime of listening playing and writing about music to show how pop has done much more than peddle fantasies of love and sex to teenagers From vaudeville singer Eva Tanguay the I Don t Care Girl who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations Exhaustively researched and rich with fresh insights Love for Sale is unbound by the usual tropes of pop music history Hajdu for instance gives a star turn to Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today s practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal Love for Sale is a book of critical history informed by its writer s own unique history as a besotted fan and lifelong student of pop **Pop Goes the**
