

Reading Comprehension

Read the short passage and answer the questions

The Sick Lion

A Lion had come to the end of his days and lay sick unto death at the mouth of his cave, gasping for breath. The animals, his subjects, came round him and drew nearer as he grew more and more helpless. When they saw him on the point of death they thought to themselves: "Now is the time to pay off old grudges." So the Boar came up and drove at him with his tusks; then a Bull gored him with his horns; still, the Lion lay helpless before them: so the Ass, feeling quite safe from danger, came up, and turning his tail to the Lion kicked up his heels into his face. "This is a double death," growled the Lion.

1. The lion was about to
☐ jump ☐ die
☐ eat ☐ run
2. The animals were
☐ helping ☐ happy
☐ helpless ☐ sad
3. The meaning of the word "gasping" is
☐ To look for gas
☐ Breathing with open mouth
☐ Eating gas
☐ To drink water
4. The boar drove at the lion with his
☐ legs
☐ tail
☐ tusks
☐ body
5. Why did the animals hurt the lion more?

Reading Comprehension Review

Robert Ladd Thorndike

Reading Comprehension Review:

Reading and Writing Skills: Cognitive, Emotional, Creative, and Digital Approaches María Isabel de Vicente-Yagüe Jara, Elena Jiménez-Pérez, Pedro García Guirao, Olivia López Martínez, 2023-12-14

Leveled Reading, Leveled Lives Timothy Shanahan, 2025-07-28 An engaging and evidence based examination of how reading instruction has been misinterpreted and misapplied for decades and how to right the course to improve reading skills for all students In Leveled Reading Leveled Lives leading literacy expert Timothy

Shanahan curates a lively tour of the history of reading instruction in the United States arguing that the most popular reading instruction method is failing students and suppressing their literacy achievement. He breaks down the reasons why teachers and researchers alike have favored this accepted wisdom known as instructional level theory in US schools over the past five decades and presents a compelling case for a new way forward that will bolster students' reading skills. Today it is not uncommon to find students in a fourth grade classroom reading books suitable for third, second or even first graders. Teachers suggest books to students at their deemed instructional levels but how these instructional levels are determined is suspect. With a comprehensive critical analysis of instructional level pedagogy, Shanahan exposes its shaky foundations and shows how faulty research findings have become so entrenched. He gathers an extensive body of research studies that overwhelmingly contradict the instructional level theory and offers an evidence-based consideration of how educators must instead use grade level reading to bring about maximum learning gains. This seminal book concludes with practical advice for implementing grade level reading instruction including detailed descriptions of the types of instruction and scaffolding needed to increase students' reading achievement from teaching decoding and challenging texts to scaffolding reading to maintaining motivation. Shanahan asserts that a better approach can ensure that all students have an opportunity to leave high school with reading abilities commensurate with their personal, social, civic and economic goals.

Research in Education, 1970 *Reading Comprehension Instruction, 1783-1987* H. Alan Robinson, 1989 This book examines the methods, materials, outcomes and technologies of past literacy practice with special focus on the teaching of reading comprehension. The book presents a study of published texts on reading comprehension instruction in America in the preresearch period 1783-1910 as well as published research reports from 1910 through 1987. The book argues that many of the trends in comprehension instruction can be traced to developments in American psychology and looks at future directions for both the practitioner and the researcher. A review of all the studies focused on reading comprehension instruction discussed in the book and an alphabetical listing by author of each study are included in the appendixes.

Resources in Education, 1970 **Reading Rate** Ronald P. Carver, 1990 *Reading Skills Handbook* Harvey S. Wiener, Charles Bazerman, 2005-08 *Reading Skills Handbook 9e* teaches the essential reading and study skills required for success in college. The cornerstone of the Wiener-Bazerman System, *Reading Skills Handbook 9e* retains the features that have made it a bestseller for more than twenty-five years: flexible format, high interest readings, clear explanations and a multitude of practice exercises. The step-by-step approach encourages students to move with confidence from simple to more complex skills. An anthology of readings helps students apply newly learned skills in selections drawn from books, magazines and newspapers and including essays, articles, textbook pages, journals, fiction, photographs, illustrations, cartoons, advertisements and Web sites in short, the wide range of reading opportunities available to today's readers at home or on the job.

Reading Comprehension Education in Fifteen Countries Robert Ladd Thorndike, 1973 *Reading Comprehension*

and Skills, Grade 6 Carson-Dellosa Publishing,2014-03-15 Reading Comprehension and Skills for sixth grade is designed to help students develop a strong foundation of reading basics so that they will become competent readers who can advance to more challenging texts It includes engaging passages and stories about a variety of subjects to appeal to all readers The book also encourages vocabulary development and reinforces reading comprehension through leveled activity pages that target each student's individual needs for support Kelley Wingate's Reading Comprehension and Skills is the perfect choice for both teachers and parents This valuable reading and comprehension skills practice book provides nearly 100 reproducible pages of exciting activities 96 durable flash cards and a motivating award certificate The differentiated activity pages give students the practice they need at a level that is perfect to help them master basic reading comprehension skills necessary to succeed and are great for use at both school and home
