make meditation serve our ambition thus we can relax into openness We are shown how the deliberate practice of mindfulness develops into contrived awareness and we discover the world of insight that awareness reveals We learn of a subtle psychological stage set that we carry with us everywhere and unwittingly use to structure all our experience and we find that meditation gradually carries us beyond this and beyond ego altogether to the experience of unconditioned freedom The teachings presented here all in Trungpa's concise accessible style provide the foundation that every practitioner needs to awaken as the Buddha did Great Eastern Sun Chogyam Trungpa, 2001-07-17 In Shambhala The Sacred Path of the Warrior Chogyam Trungpa offers an inspiring and practical guide to enlightened living based on the Shambhala journey of warriorship a secular path taught internationally through the Shambhala Training program Great Eastern Sun The Wisdom of Shambhala is a continuation of that path Shambhala was an exploration of human goodness and its potential to create an enlightened society a state that the author calls *nowness* And in that spirit of *nowness* Great Eastern Sun which is accessible to meditators and nonmeditators alike centers on the question Since we're here how are we going to live from now on
