Robert R. Redfield

Shape Of Sola Scriptura:

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries *Five Models of Scripture* Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one s scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister Five Pillars of the Gladiator Gospel, Form #17.004 Brooky R.
