Shaping Of Social Organization Social Rule System Theory With Applications:

The Shaping of Social Organization Tom R Burns, Helena Flam, 1987-07 The Shaping of Social Organization introduces a new social theory social rule system theory and shows how it can provide fresh insights into the major institutions of modern social life The book advances a distinctive approach to the study of actor structure dynamics placing itself in a rich scholarly tradition developed by major thinkers such as Weber Lindblom Giddens and Goffman It presents social rule system theory as a framework with which to investigate social institutions and clarifies the principles behind their formation maintenance and transformation Drawing on a wide range of case studies the authors also demonstrate the relevance of the theory for research programs As a result they are ab *Partizipation als Entscheidungshilfe* Peter H.
