Women, the State, and War Joyce P. Kaufman,Kristen P. Williams,2007-12-24 Women the State and War looks at the intersection of gender citizenship and nationalism marriage intermarriage and how states gender that relationship and the ways in which women are used as symbols to reinforce or further nationalistic goals Women have long struggled with issues of citizenship identity and the challenge of being recognized as equal members of the community Governments use feminine imagery e g mother country to create a national identity while simultaneously minimizing the role that women play as productive contributors to the society Authors Joyce P Kaufman and Kristen P Williams examine the relationship of government and women in four different countries the United States Israel the former Yugoslavia and Northern Ireland In each case numerous similarities appear conflict plays a significant role in the definition of citizenship for women women s movements have worked in contradiction to the state and citizenship and marriage are gendered undertakings **Shared Borders, Shared Waters** Sharon B. Megdal,Robert G. Varady,Susanna Eden,2012-12-18 This collection of papers examines water management in two of the worlds prominent arid transboundary areas facing similar challenges In the Middle East the chronically water short Israeli Palestinian region has recognized the need both to conserve and supplement its traditional water sources Across the globe on the North American continent A **The Cape Town Month of Photography, 2002** Geoffrey Grundlingh,2002 **Our Shared Environment** Robin Twite,Jad Isaac,1994 Israeli Palestinian peace

documentation series **Transboundary Water Issues in Israel, Palestine, and the Jordan River Basin** David B. Brooks, Julie Trottier, Giulia Giordano, 2019-10-11 This book highlights the search for permanent freshwater agreements between Israel Palestine and the western portions of Jordan and underscores the benefits of shared water management among the three countries Throughout the book efforts are made to share transboundary water in ways that are simultaneously physically feasible ecologically sustainable and socially equitable Thanks to the Peace Treaty between Israel and Jordan the management of shared water resources has been working well though future relationships are uncertain at present However the current arrangements for Israel and Palestine are at best inadequate and in some cases counterproductive In closing the book argues that trilateral agreements on water can and should be concluded now before seeking to resolve the full range of issues that remain uncertain in a Final Status Agreement between Israel and Palestine

Journal of Palestine Studies ,2005 The Israeli-Palestinian Conflict Karl Cordell, Brendan O'Leary, Stefan Wolff, 2018-10-11 The conflict between Israel and the Palestinians is one of the longest unresolved conflicts of modern times It has brought about the early and violent deaths of tens of thousands of people and blighted the lives of millions more It is symbiotically linked to the wider crises that continue to engulf the wider region The purpose of this volume is to elucidate both the nature of the conflict but perhaps more importantly to make some tentative proposals with regard to how the conflict may eventually be peacefully concluded The contributors offer their prognosis in light of the fact that both Israeli and Palestinian society is becoming increasingly polarised and prey to fanatics who argue that the conflict will and should be solved by the complete destruction of one side by the other In short this volume seeks to provide rational counter arguments to fundamentalist bile that questions the fundamental humanity of the opposing side This book was originally published as a special issue of the journal *Ethnopolitics* The Absence of Peace Nicholas Guyatt, 1998-06 Sell line The real story why the

handshakes on the White House lawn in 1993 did not create peace in the Middle East **Sharing The Land Of Canaan** Mazin B. Qumsiyeh, 2004-06-20 Examines human rights issues in the Occupied Territories and lays out plans for a lasting peace **The Palestine-Israeli Conflict** Dan Cohn-Sherbok, Dawoud Sudqi El Alami, 2008-04-25 A new and revised edition of this essential bestseller **The Jewish Quarterly** ,2003 **The Bible-work** James Glentworth Butler, 1892 The Israeli-Palestinian Conflict Raja Halwani, Tomis Kapitan, 2008-01-15 This book addresses the ongoing conflict among Israeli Jews and Palestinian Arabs from a philosophical perspective The authors argue that by ignoring justice and failing to address violations of rights including the rights of Palestinians and Israelis for self determination in historic Palestine the rights of Palestinian refugees for repatriation and the rights of both Palestinians and Israelis to live securely and freely then a lasting solution to the conflict will remain elusive A Biblical Cyclopaedia John Eadie, 1870 **A Biblical Cyclopaedia, Or, Dictionary of Eastern Antiquities, Geography, Natural History, Sacred Annals and Biography, Theology and Biblical Literature, Illustrative of the Old and New Testaments** John Eadie, 1870
