Patterson, John D. Painter, 1985 *Good Teams Win, Great Teams Cover* Pat Hagerty, 2016-04-04 I will teach you how to win more bets but first a story I was hungover I had spent the previous night in an Italian bar trying to convince naive girls that I was Jason Sehorn of the New York Giants This was my move It wasn't particularly effective but it was the best I had The next morning I found myself on a train going from Bologna to Rome I was young and this would be my first visit to the ancient city As luck would have it I was seated next to Evelyn O Reilly Evelyn was a stunning foreign exchange student from Dublin and we hit it off We hit it off so well that when she got to her stop in Florence she invited me to join her for the weekend In a moment of sheer madness I politely declined I had the next few hours to contemplate what had just happened and I became paralyzed by my own stupidity What the hell was wrong with me I had an amazing opportunity but I was too damn dumb to realize it This exquisite creature exited my life forever only to revisit every now and again as a memory This same scenario plays out EVERY SINGLE WEEKEND of the football season Beautiful opportunities are out there but most bettors can't see them They aren't trained on what to look for and when they finally do discover a gem they are too scared to act Taking advantage of situational opportunities is what separates the sharps from the stiffs Good Teams Win Great Teams Cover is a collection of betting advice that WILL make you a sharper sports bettor My strategy of situational betting in college and pro football is a time tested method for beating the sportsbook I highlight over twenty situational opportunities where the bettor will gain an advantage over the house Included are detailed examples from past football seasons which will allow the reader to gain a firm understanding of the concepts that can make your betting very profitable I also mix in candid and embarrassing personal stories that makes this a highly entertaining read while providing valuable insight that will educate all levels of degenerate gamblers If you are sick of praying for backdoor covers if countless bad beats have made your betting life miserable if you are reloading your gambling account way too often then this book is for you About the Author Pat Hagerty is the luckiest SOB out there He gambles the way he lives life and he tries to get a little better every day This has led to abundant success in his personal professional and his gambling life Besides being a degenerate gambler Pat is the host of Club Shaw's Draft Party He has written three other books on a subject you don't care about He shot 67 at Red's and leads his beer hockey league in penalty minutes You can check out his weekly picks at fishyfive.com You can also follow him on Facebook FishyFive and Twitter fishy_five *The Complete Guide to Sports Betting* Kevin Dolan, 2017-11-03 About the Book The Complete Guide to Sports Betting will show you the systems and methods that sharp sports bettors use everyday in determining which games offer the highest value and the most chance to profit Inside you will learn how to create your own set of accurate power rankings how to analyze betting patterns and trends

and how to evaluate early and late line movements on games among many other professional techniques If you are serious about improving your betting IQ and gaining the necessary edge over the sportsbook this book will be an indispensable guide in showing you how to achieve that *The NFL Sharp Betting Playbook* Josh Appelbaum,2025-08-12 The NFL Sharp Betting Playbook is an honest comprehensive no nonsense guide on how to win while betting on the powerhouse that is the NFL It teaches beginner and intermediate bettors the fundamentals of identifying value while providing a blueprint on how to read the market go contrarian locate sharp action and make smart bets It also breaks down how to manage a bankroll know when to walk away and survive the learning curve Most importantly it shows bettors how to bet with their head not their heart and make the sort of smart data driven bets that can transform a hobby into an investment *Press Summary - Illinois Information Service* Illinois Information Service,1990 Basic Blackjack Stanford Wong,1992-09 Includes basic strategy and value for all common rules basic strategy and value for most exotic rules and the best of Winning without counting

Sports Illustrated ,1962 *Betting the Line* Richard O. Davies,Richard G. Abram,2001 A study of gambling particularly sports gambling and how it has thrived in American culture According to Davies and Abram the culture of betting results from two complementary influences in American society risk taking and speculation This is the first effort by academic writers to describe and interpret the history of sports wagering in the United States Although many books have been written about 3how to bet and win 4 *Betting the Line* presents a serious history of this popular activity in Colonial and Civil War eras to today from early betting on horse racing and baseball to the modern venues of basketball and football By considering topics as diverse as the business of a bookie the expansion of legalized gambling and the increase in popularity of televised sports the authors offer readers an insightful look into a practice that has become commonplace in American popular culture In a mere seventy years the number of states where gambling is legal jumped from one to forty eight Yet Nevada remains the only state where sports betting is legal This book challenges many long standing myths and stereotypes that revolve around the enterprise arguing that sports gambling is reflective of the American free enterprise culture
