Shedding Skin Reptilian Journeys:

Sheddina Skin Edward Myers, 2005-07-01 The poets life tends historically to be a tortured one This seems to be due to the overwhelming tides of emotion and sensory views that give them inspiration but make it difficult to view the world as it is A surreal storm of haunting mental images photographs of the real unreal and unimagined crawling into the minds eye and then picking up speed until the poet is in an ecstatic dervish like frenzy of thought This is the overriding dilemma of the poets experience He can describe the world as no one else yet in so doing cannot experience it like everyone else The poetic muse can be a cruel mistress fleeting and maddening yet seductive and overpowering Raw animal passions anger intense visuals of an underworld lying just beneath the surface of normal thought This book is an attempt at reconciling the poetic dream with the realities of life **Journey of the Heart** Catherine Ghosh, 2014-07-25 This book has woven together the voices of over seventy women of diverse ethnicities and traditions In meditative and insightful poems they offer us revealing glimpses of their souls engaged in meaningful dialogue with the world others themselves and divinity This spiritual poetry draws from the timeless wisdom power and beauty residing deeply within the hearts of all women Emerging within archetypal themes that deliver valuable messages the inspiring and uninhibited chorus of voices beckons us to journey along with them into the wild mysterious and uncharted territory of a woman's heart In this beautiful volume of poetry Catherine Ghosh gives us the voices of women's spiritual expressions across cultures. The many women who contribute their hopes fears visions and life narratives to this volume fulfill the poet Muriel Rukeyser's injunction Breathe in experience breathe out poetry Every woman and man will find poetry that speaks to the heart and the soul I highly recommend this volume to anyone who values the poetry of women's lives and imaginations Roberta Rosenberg Professor of English and Co Director of Women's and Gender Studies Christopher Newport University Virginia This beautiful book of verses speaks of the longings of the heart the habits of the mind the prayers often unspoken of silent cries in the dark to God to the universe to life itself to anyone who may listen and be moved It is an ode to the muzzled yearnings of half of humanity Rita D Sherma PhD Swami Vivekananda Visiting Professor University of Southern California **Locusts: A Journey of Many Miles** Lindsey E.
