Shelley Revalued Essays From The Gregynog Conference:

Shelley Revalued Kelvin Everest,1983-01-01 **Shelley Revalued** Kelvin Everest,1983 Shelley Revalued Kelvin Everest,1983 *Shelley's Visual Imagination* Nancy Moore Goslee,2011-06-23 Shelley's drafts and notebooks which have recently been published for the first time are very revealing about the creative processes behind his poems and show through illustrations and doodles an unexpectedly vivid visual imagination which contributed greatly to the effect of his poetry Shelley's Visual Imagination analyzes both verbal script and visual sketches in his manuscripts to interpret the lively personifications of concepts such as Liberty Anarchy or Life in his completed poems Challenging the persistent assumption that Shelley's poetry in particular and Romantic poetry more generally reject the visual for expressive voice or music this first full length study of the drafts and notebooks combines criticism with a focus upon bibliographic codes and iconic pages The product of years of close examination of these remarkable texts this much anticipated book will be of great value for all students of Shelley and all those interested in the Romantic process of creation **Keats and Shelley** Kelvin Everest,2021 Situates the lives and work of the poets John Keats and Percy Bysshe Shelley within the literary cultural political and social currents of their time **Romanticism and Religion from William Cowper to Wallace Stevens** Gavin Hopps,2016-04-08 The relationship between literature and religion is one of the most groundbreaking and challenging areas of Romantic studies Covering the entire field of Romanticism from its eighteenth century origins in the writing of William Cowper and its proleptic stirrings in *Paradise Lost* to late twentieth century manifestations in the work of Wallace Stevens the essays in this timely volume explore subjects such as Romantic attitudes towards creativity and its relation to suffering and religious apprehension the allure of the veiled and the figure of the monk in Gothic and Romantic writing Miltonic light and inspiration in the work of Blake Wordsworth Shelley and Keats the relationship between Southey's and Coleridge's anti Catholicism and definitions of religious faith in the Romantic period the stammering of Romantic attempts to figure the ineffable the emergence of a feminised Christianity and a gendered sublime the development of Calvinism and its role in contemporary religious controversies Its primary focus is the canonical Romantic poets with a particular emphasis on Byron whose work is most in need of critical re evaluation given its engagement with the Christian and Islamic worlds and its critique of totalising religious and secular readings The collection is an original and much needed intervention in Romantic studies bringing together the contextual awareness of recent historicist scholarship with the newly awakened interest in matters of form and an appreciation of the challenges of postmodern theory **Shelley's Eye** Benjamin Colbert,2017-03-02 Percy Bysshe Shelley joined the deluge of sightseers that poured onto the Continent after Napoleon's defeat in 1814 and over the next eight years Shelley followed major travelling trends visiting Switzerland in 1816 and Italy from 1818 Shelley's Eye is the first study to address Shelley's participation in the travel culture of Post Napoleonic Europe and the first to consider Shelley as an important travel writer in his own right This book is informed by original research on a wide range of period

travel writings including Mary Shelley and Shelley's neglected collaboration *History of a Six Weeks Tour 1817* in which Mont Blanc first appeared Fully responsive to the culture of travel Shelley's travel prose and poetry form fascinating conversations with major Romantic travellers like Byron Wollstonecraft and Wordsworth as well as lesser known but widely read travel writers of the day including Morris Birkbeck Charlotte Eaton and John Chetwode Eustace In this provocative study Benjamin Colbert demonstrates how the Grand Tour remains a vital cultural metaphor for Shelley and his contemporaries under pressure from mass travel and popular culture Shelley's travel prose and visionary poetry explore motives of perception underlying travel discourse and posit an authentic aesthetic vision that reconfigures social historical and political meanings of sights from the perspective of an ideal tourist observer Shelley's *Eye* offers a new perspective on Shelley's intellectual history It is also a timely and important contribution to recent interdisciplinary scholarship that aims to re-evaluate Romantic idealism in the context of physical experiential or material cultural practices

Das Paradox der Mytho-poetik Christian Huck, 2003 Als gegen Ende des 19. Jahrhunderts das Irish Literary Revival zur immensen Produktion literarischer Werke führte sollte nicht nur die irische Literatur wiederbelebt werden Mit der Renaissance der Kultur wollte man auch einer irischen Nation zur Geburt verhelfen Bindeglied zwischen der künstlerischen Tätigkeit und der Nationengründung sollte der Mythos sein Mithilfe der künstlerischen Erschaffung eines Mythos erhoffte man eine neue Gemeinschaft gründen zu können die wiederum Grundlage der Nation sein würde Diese Studie untersucht wie sich einzelne Gedichte von William Butler Yeats Seamus Heaney und Eavan Boland gegenüber der paradoxalen Anforderung verhalten gleichzeitig ein literarisches Werk und einen Mythos zu erschaffen Diese literaturwissenschaftlichen Analysen geschehen vor dem Hintergrund einer ausführlichen Aufarbeitung der anhaltenden kulturpolitischen Diskussionen um die Aufgabe der Literatur und des Mythos in Irland

The New Shelley G. Kim Blank, 1991-03-08 The last two decades have seen the business of researching and writing about Percy Bysshe Shelley change in positive and significant ways Shelleyan characteristics which were once deemed negative are now reviewed as critically engaging qualities *The New Shelley Later Twentieth Century Views* is a collection of original essays by some of the leading Romanticists which situates Shelley for our own age but not only by contextualizing him within our own scene of critical practice but also by replacing him within his own scene of poetic production

The Human Mind's Imaginings Michael O'Neill, 1989 This book argues that Percy Shelley's developing capacity to accommodate and explore conflict lies at the heart of his poetic achievement Focusing

particularly on the poetry's language tones and imaginative life O'Neill offers lucid and original readings of Alastor Hymn to Intellectual Beauty and Mont Blanc Julian and Maddalo The Cenci Prometheus Unbound The Witch of Atlas Epipsychidion and The Triumph of Life Throwing fresh light on the experience of reading Shelley the book is a sympathetic yet discriminating discussion of a poet who has too often been the object of uncritical admiration or automatic dislike

Evaluating Shelley Timothy Clark, Jerrold E. Hogle, 1996 This book argues that Shelley was both ahead of and in tune with his time and ours

The Prose Works of Percy Bysshe Shelley Percy Bysshe Shelley, 1993 Volume I of this major critical edition of Shelley's prose the first since the Julian Edition 1926-30 provides authoritative texts of The Necessity of Atheism the Irish pamphlets the vegetarian essays The Assassins A Refutation of Deism On Christianity the Hermit of Marlow political writings and several reviews The texts which are based on first editions and manuscripts were all written between Shelley's last months in Oxford in 1811 and his departure for Italy in 1818 they preserve his original punctuation and spelling and textual notes give copy text variants revisions and deletions In addition the Introduction supplies a full account of previous editions and places the prose pieces in their political context and the commentary pays particular attention to the problems of dating the manuscripts The commentary also contains more detailed copy text descriptions more thorough accounts of provenance and more information on sources and allusions than any previous edition of the works

Poetics of Self and Form in Keats and Shelley Mark Sandy, 2005 In focusing on the poetic treatment of self and literary form in Keats and Shelley Mark Sandy shows how using Nietzsche's philosophy to illuminate Keats's correspondence and Shelley's A Defence of Poetry provides a conceptual basis for a comparative reading of the poets Using key ideas from Nietzsche Sandy explores Keats's Endymion and Shelley's Alastor as redefinitions of the romance genre Further he suggests that in their redescription of romance Keats and Shelley discovered a radical mode of subjectivity that is present in Keats's major odes and Shelley's lyrical poetry as a conflict among poetic identity art and existence In Sandy's reading Shelley's Adonais and Keats's The Eve of St Mark emerge as diverse meditations on crises of posthumous reputation and future audience whereas Keats's Hyperion fragments and Shelley's The Triumph of Life resolve these anxieties over authorial posterity by entrusting the reader with a new form of poetical self

New Romanticisms David L. Clark, Donald C. Goellnicht, 1994-10-31 As a whole the collection highlights the many ways in which contemporary theory has complicated our conception of Romanticism Yet Romantic texts are not merely read through theory they are shown to be sites of various forms of theorization themselves Above all the essays reveal the conflicting pressures at work within and among Romantic writers whose texts are characterized by multiple strands of significance that entwine but do not build towards a synthesis

Nineteenth-century Literature Criticism Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations
