Langevoort, 2016-05-06 In the midst of globalization technological change and economic anxiety we have deep doubts about how well the task of investor protection is being performed In the U S the focus is on the Securities the search for an edge via insider trading the disclosure apparatus and its gatekeepers sales efforts and manipulation in Ponzi schemes internet scams private offerings and crowdfunding and how this all helps explain the recent global financial crisis It ends by turning

these insights back on the task of regulation itself and the strategies and frustrations of making regulation work in a financial world that is at once increasingly sophisticated yet deeply human and incurably flawed
