Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

7 Pre-Game Habits of Pro Hockey Players Brett Henning, 2008

Many are Called-- Few are Signed : Hard Realities of Professional Hockey Rick Heinz, 1988

Undrafted Nick Kypreos, 2020-10-20 True stories and hard won lessons about a life of hockey from a Stanley Cup champion and top analyst As a child growing up in Toronto Nick Kypreos lived for hockey and dreamed of following in his idols footsteps to play in the NHL Hockey was an important part of the Kypreos household It was largely through the game that his immigrant Greek parents acclimatized to their new lives in Canada and from a young age Kyper proved he was more than good enough to move through the ranks But he was never a top prospect he didn t even attend the NHL draft when he became eligible And yet through dedication and constant improvement he made it to the show Kypreos built a career on his tireless work ethic and made a name for himself for always having a positive influence on team morale A medium weight fighter he squared off

with the league's toughest players including Chris Simon, Joey Kocur, Tony Twist and Scott Stevens anything to give his team an edge. Ultimately he was brought to the New York Rangers to help them win the Stanley Cup in 1994, their first in fifty-four years, with the legendary Mark Messier. And then he got to live his other dream playing for his hometown team, the Toronto Maple Leafs. When a concussion forced him to retire early, it changed his life. But the lessons he'd learned on the ice over eight seasons helped him build a new career as a top hockey analyst and personality for Sportsnet. For twenty seasons, he provided unique insight on the evolving game and a player's perspective on the biggest discussions of the day. Revealing, fun, and brutally honest, *Undrafted* shows the challenges of being a pro player. It's a story of the resilience it takes to prove yourself every night and how the right attitude can lead to the greatest success, not only in the arena but in life. *Good Guy: A Pining-for-Her Hockey Romance* Kate Meader, 2019-07-30 He's a Special Forces veteran making his pro hockey debut. She's a dogged sports reporter determined to get a scoop. She's also his best friend's widow. Fans can't get enough of Levi Hunt, the military veteran who put his NHL career on hold to serve his country and fight the bad guys. So when his new Chicago Rebels bosses tell him to cooperate with the press on a profile, he's ready to do his duty. Until he finds out who he has to work with: flame-haired, freckle-splashed, impossibly perky Jordan Cooke. The woman he should not have kissed the night she buried her husband, Levi's best friend, in the service. Hockey stick up his butt, serious Levi Hunt might despise Jordan for reasons she can't fathom. Okay, it's to do with kissing, but her future in the cutthroat world of sports reporting hangs on delivering the goods on the league's hottest, grumpiest rookie. So what if he's not interested in having his life plated up for public consumption? Too bad Jordan will have to play dirty to get her scoop, and even dirtier to get her man. Only in winning the story she might just lose her heart. In this standalone free romance set in the Chicago Rebels world, a new generation of players take to the ice and learn that all's fair in love and hockey.
