Matters Michael Leahy,2012-12-11 As one of the greatest most celebrated athletes in history Michael Jordan conquered professional basketball as no one before Powered by a potent mix of charisma near superhuman abilities and a ferocious drive to dominate the game he achieved every award and accolade conceivable before retiring from the Chicago Bulls and taking an executive post with the Washington Wizards But retirement didn't suit the man who was once king and at the advanced age of thirty eight Michael Jordan decided it was time to reclaim the court that was once his WHEN NOTHING ELSE MATTERS is the definitive account of Jordan's equally spectacular and disastrous return to basketball Having closely followed Jordan's final two seasons Michael Leahy draws a fascinating portrait of an intensely complex man hampered by injuries and assaulted by younger players eager to usurp his throne In this enthralling book Jordan emerges as an ambitious at times deeply unattractive character with unsurprisingly a monstrous ego WHEN NOTHING ELSE MATTERS is an absorbing portrait not only of one athlete's overriding ambition but also of a society so in thrall to its sports stars that it is blind to all their faults Blue Blood II Art Chansky,2025-09-23 A follow up to Blue Blood that tells the recent history of the Duke Carolina college basketball rivalry When Art Chansky's Blue Blood was published in 2005 ESPN's Dick Vitale said it was about the greatest rivalry not just in college basketball but in all of sports and the book was hailed by The East Carolinian as the holy text for both sides of the rivalry Now 13 years later Chansky revisits the fiercest college basketball rivalry Since 2005 Duke Carolina has been a study of rival recruiting philosophies disparate playing styles classic game encounters coaching milestones All American and NBA draft picks galore plus off the court drama and most recently the ultimate question of who will be the next caretakers to this national treasure Winning more Atlantic Coast Conference and NCAA championships than the rest of the ACC combined made Duke and UNC the true blue bloods of basketball When the prequel to this book was published in 2005 few fans thought the passionate backyard battle could get any better but the last 13 years have added new colors and different fabrics to the mosaic that is the remaining virtue of the college game's regular season which for everyone else is now a qualifying run to the NCAA tournament and March Madness Chansky brings all of these details to light making Blue Blood II a must have follow up for Duke and UNC fans and college basketball fans in general
