Box Office ,1959 **History of Acquisition in the Department of Defense, Volume 1** Elliott V.

Converse,2012-06-12 This volume is a history of the acquisition of major weapon systems by the United States armed forces from 1945 to 1960 the decade and a half that spanned the Truman and Eisenhower administrations following World War II These instruments of warfare aircraft armored vehicles artillery guided missiles naval vessels and supporting electronic systems when combined with nuclear warheads gave the postwar American military unprecedented deterrent and striking power 1 They were also enormously expensive The volume is organized chronologically with individual chapters addressing the roles of OSD the Army Navy and Air Force in two distinct periods The first roughly coinciding with President Truman s tenure covers the years from the end of World War II through the end of the Korean War in 1953 The second spans the two terms of the Eisenhower presidency from 1953 through early 1961 The year 1953 marked a natural breakpoint between the two periods The Korean War had ended President Eisenhower and his defense team began implementing the New Look a policy and strategy based on nuclear weapons which they believed would provide security and make it possible to reduce military spending The New Look s stress on nuclear weapons along with the deployment of the first operational guided missiles and the rapid advances subsequently made in nuclear and missile technology profoundly influenced acquisition in the services throughout the 1950s and the remainder of the century As used in this study the term acquisition encompasses the activities by which the United States obtains weapons and other equipment In surveying the history of acquisition between 1945 and 1960 this study discusses or refers in passing to many of the hundreds of weapon system programs initiated by the services in that period but it is not a weapons encyclopedia Instead it investigates a few major programs in depth in the belief that such detailed examination best reveals the evolution of acquisition policies organizations and processes and the various forces influencing weapons programs *History of Acquisition in the Department of Defense: Rearming for the Cold War, 1945-1960* Elliott Vanveltner Converse,2012

Critical Perspectives on Diversity, Equity, and Inclusion in Marketing Gbadamosi, Ayantunji,2022-05-20 Marketers have attracted criticism from advocates of marketing ethics for not giving equal attention to all consumers In other contexts other nomenclatures such as less privileged or low income consumers are being used to describe consumers However a critical view of the scope of the disadvantaged consumers shows that it is beyond having limited income and encapsulates all forms of limitations that prevent full inclusion in marketplace opportunities Critical Perspectives on Diversity Equity and inclusion in Marketing focuses on exploring diversity equity and inclusion in marketing as related to individuals groups organizations and societies It provides insight into consumption practices diversity inclusion limitations and their theoretical and practical implications Covering topics such as ethnic identity negotiation marketing implications and consumer vulnerability this premier reference source is an eclectic resource for business leaders and managers marketers sociologists DEI professionals libraries students and educators of

higher education researchers and academicians When Politicians Panicked John Tamny, 2021-03-30 The global economy was booming as 2020 dawned but within a few short months wreckage death and desperation borne of economic contraction were the new normal What happened In When Politicians Panicked economic commentator John Tamny tells the heart wrenching story of a time when politicians were tragically relieved of basic common sense in their response to the new coronavirus In March of 2020 the virus quickly became a major news item as political panic about it traveled around the world Even though anecdotal and market based evidence from the virus s epicenter indicated very low lethality politicians quickly imposed economy crushing lockdowns on the rather specious assumption that unemployment bankruptcy and starvation would somehow halt the virus s spread Tamny methodically dismantles the political consensus by showing how economic growth has long been the first and last answer to death and disease He then shows how politicians having mindlessly crushed a growing economy proceeded to double down on their mistakes by throwing taxpayer money at their shocking errors Throughout When Politicians Panicked Tamny makes a relentless case that free people don t just produce the wealth that renders today s killers yesterday s news They also produce crucial information about health threats that shine a light on that which threatens us Lockdowns suffocate economic progress but they also blind us to how we can progress as Tamny makes plain in what will go down as an essential history for anyone seeking to understand the coronavirus panic of 2020 **Sport Law** Anita M.
