TARGET:

TIME:

DETAILS

The figure displays a 10x10 grid of 100 small plots, each showing the evolution of a system over time. The horizontal axis for each plot is labeled 'Time' and ranges from 0 to 100. The vertical axis is labeled 'Y' and ranges from 0 to 10. The plots show a transition from a state of 0 to a state of 1, with the transition occurring at different times for different values of Y. The transition is represented by a vertical line that moves from left to right as Y increases.
