

Shakespeares Stage

**William Shakespeare, Richard Grant
White**

Shakespeares Stage:

Shakespeare's Stage Traffic Janet Clare, 2014-01-09 Shakespeare's unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation. In *Shakespeare's Stage Traffic* Janet Clare re-situates Shakespeare's dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries. She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use. The book challenges the critical stance that views the Shakespeare canon as essentially self-contained, moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays. Each chapter focuses on specific plays and examines the networks of influence, exchange and competition which characterised stage traffic between playwrights including Marlowe, Jonson and Fletcher. Overall, the book addresses multiple perspectives relating to authorship and text performance and reception.

Shakespeare's Stagecraft J. L. Styan, 1967-10-02 Introduction to the study of Shakespeare's dramatic craftsmanship

The Cambridge Bibliography of English Literature Frederick Wilse Bateson, 1940

Shakespeare Dr. Surinder Mohan Dey, 2014-10-27 William Shakespeare not only influenced the theatre of his contemporary age but his influence on theatre comes down to our own age. His stagecraft, theatre architecture and theatrical effects leave an indelible influence on Greek, Roman, Indian, Kabuki and Western Theatre. This stagecraft of Shakespearean theatre helped the smooth and spontaneous flow of the action. This encompassed the human emotions and feelings. It proved purgative for the human heart. Shakespeare enlivened the printed page of the drama. The present work describes the comparative study of various theatre forms of East and West. Shakespeare successfully established a deep emotional relationship between the actors and the audience. The theatre became a passionate urge for the people with Shakespeare.

The Oxford Companion to Shakespeare, *A New Variorum Edition of Shakespeare: A Midsummer Night's Dream*. 3d ed William Shakespeare, 1895 V 23 The second part of Henry the Fourth 1940 v 24 25 The sonnets 1924 v 26 Troilus and Cressida 1953 v 27 The life and death of King Richard the Second 1955

The Cambridge Companion to Shakespeare Margreta de Grazia, Stanley Wells, 2001-04-05 This book offers a comprehensive, readable and authoritative introduction to the study of Shakespeare by means of nineteen newly commissioned essays. An international team of prominent scholars provide a broadly cultural approach to the chief literary, performative and historical aspects of Shakespeare's work. They bring the latest scholarship to bear on traditional subjects of Shakespeare study such as biography, the transmission of the texts, the main dramatic and poetic genres, the stage in Shakespeare's time and the history of criticism and performance. In addition, authors engage with more recently defined topics: gender and sexuality, Shakespeare on film, the presence of foreigners in Shakespeare's England and his impact on other cultures. Helpful reference features include chronologies of the life and works, illustrations, detailed reading lists and a bibliographical essay.
