*Shakespeare's Fascist Followers* Richard Wilson, 2025-08-21 Richard Wilson's meticulously researched powerfully argued and brilliantly written account of Shakespeare's 20th century fascist followers is not just an important but a genuinely essential book Robert Shaughnessy Guildford School of Acting UK In this illuminating book Richard Wilson demonstrates how in the 20th century Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author Wilson argues that the version of Shakespeare this caricature produced authoritarian jingoistic racially intolerant misogynistic was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America while noting striking cases of the same bias in Germany and France Some of the names this book focuses on will surprise many of the right wing political views or leanings of the prominent figures discussed have been left unexplored or ignored from A K Chesterton who was both editor of the British Union of Fascists newspaper Blackshirt and former manager of press and publicity at the Shakespeare Memorial Theatre to celebrated Shakespeareans such as G Wilson Knight and writers artists and theatre practitioners including W B Yeats T S Eliot Edward Gordon Craig and Marshall McLuhan At a time when democracy is under threat populism is on the rise and far right views are increasingly prominent in our political discourse Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship

*Shakespeare and Modern Culture* Marjorie Garber, 2008-12-09 From one of the world's premier Shakespeare scholars comes a magisterial new study whose premise is that Shakespeare makes modern culture and that modern culture makes Shakespeare Shakespeare has determined many of the ideas that we think of as naturally true ideas about human character individuality and selfhood government leadership love and jealousy men and women youth and age Marjorie Garber delves into ten plays to explore the interrelationships between Shakespeare and contemporary culture from James Joyce's *Ulysses* to George W Bush's reading list From the persistence of difference in *Othello* to the matter of character in *Hamlet* to the untimeliness of youth in *Romeo and Juliet* Garber discusses how these ideas have been reimagined in modern fiction theater film and the news and in the literature of psychology sociology political theory business medicine and law *Shakespeare and Modern Culture* is a brilliant recasting of our own mental and emotional landscape as refracted through the prism of the protean Shakespeare

**Australian Metatheatre on Page and Stage** Rebecca Clode, 2022-06-09 This book offers the first major discussion of metatheatre in Australian drama of the late twentieth and early twenty first centuries It highlights metatheatre's capacity to illuminate the wider social cultural and artistic contexts in which plays have been produced Drawing from existing scholarly arguments about the value of considering metatheatre holistically this book deploys a range of critical approaches combining textual and production analysis archival research interviews and reflections gained from observing rehearsals Focusing on four plays and their Australian productions the book

uses these examples to showcase how metatheatre has been utilised to generate powerful elements of critique particularly of Indigenous non Indigenous relations It highlights metatheatre s vital place in Australian dramatic and theatrical history and connects this Australian tradition to wider concepts in the development of contemporary theatre This illuminating text will be of interest to students and scholars of Australian theatre historic and contemporary as well as those researching and studying drama and theatre studies more broadly *Shakespeare's Christian Dimension* Roy Wesley

Battenhouse,1994-05-22 An impressive collection of ninety two abridged essays identifying the Christian elements in Shakespeare s plays a great feast of learning and beauty First Things This is an exceptionally valuable book very highly recommended Sixteenth Century Journal an exemplary work In an age when footling matters often replace the great religious quandaries about what it means to live and die before God Shakespeare s Christian Dimension helps restore our focus Pro Ecclesia This anthology reprints abridged versions of 92 critical commentaries on the influence of Shakespeare s Christian heritage on the shaping of his plays It does not attempt to be exhaustive in its coverage but to provide a useful sampling of valuable work A supplementary bibliography of more than 250 further items encourages interested readers to further exploration *Shakespeare, the Theatrical Dimension* Philip C. McGuire,David A. Samuelson,1979 Shakespearean dramatic scholarship frequently regards the printed texts as the sole object of critical response thus simplifying and distorting the complexity of how a play moves and enlightens its audience These essays are examples of a mode of extra literary criticism committed to the principle of valuing and responding to Shakespeare s plays as works whose richness manifests itself most fully and feelingly not when they are read on a page but when they are experiences in the theater The fourteen essayists do not ignore the impact of words but view them as maps for exploring the often neglected or tacitly assumed terrain of the visual aural spatial and temporal dimensions of a play Unlike many such anthologies this book deals with a variety of plays comedies histories tragedies early plays and late The essays differ too in strategy and focus some being theoretical or speculative others examining a single play or production For all their diversity the essays are all rooted in the principle that criticism of Shakespeare s drama must arise from and remain in touch with what happens on stage and within us as we experience it in the theater Philip C McGuire and David A Samuelson **A Calendar of the**

**Shakespearean Rarities** James Orchard Halliwell-Phillipps,1887 **The Shakespearean International Yearbook** ,1999

*Shakespeare Survey* Allardyce Nicoll,1987 An annual survey of Shakespearian study and production **Illustrated Catalogue of the Pictures &c. in the Shakespeare Memorial at Stratford-upon-Avon** Royal Shakespeare Theatre (Stratford-upon-Avon, England),Shakespeare Memorial (Stratford-upon-Avon, England),1898 *The Modernist Shakespeare* Hugh Grady,1991 Every epoch recreates its classical icons and for literary culture no icon is more central or more protean

than Shakespeare Even though finding the authentic Shakespeare has been a goal of scholarship since the eighteenth century he has always been constructed as a contemporary author In this critical study Grady charts the construction of Shakespeare as a twentieth century text redirecting new historicist methods to an investigation of the social roots of contemporary Shakespeare criticism Beginning with the formation of professionalism as an ideology in the Victorian Age this theoretically informed study describes widespread attempts to save the values of the cultural tradition in reformulated Modernist guise from the threat of professionalist postivism in modern universities
