**The Shalom Seders**, 1984      *The Passover Haggadah* Vanessa L. Ochs, 2020-03-17 The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover Jews around the world gather for the seder a festive meal where family and friends come together to sing pray and enjoy traditional food while retelling the biblical story of the Exodus The Passover Haggadah provides the script for the meal and is a religious text unlike any other It is the only sacred book available in so many varieties from the Maxwell House edition of the 1930s to the countercultural Freedom Seder and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service The Haggadah is also the only religious book given away for free at grocery stores as a promotion Vanessa Ochs tells the story of this beloved book from its emergence in antiquity as an oral practice to its vibrant proliferation today Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah She discusses the book's origins in biblical and rabbinical literature its flourishing in illuminated manuscripts in the medieval period and its mass production with the advent of the printing press She looks at Haggadot created on the kibbutz those reflecting the Holocaust feminist and LGBTQ themed Haggadot and even one featuring a popular television show The Marvelous Mrs Maisel Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all      [Exodus in the Jewish Experience](#) Pamela Barmash, W. David Nelson, 2015-05-14 *Exodus in the Jewish Experience* Echoes and Reverberations investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism It explores how the Exodus has functioned as the primary model from which Jews have created theological meaning and historical self understanding It probes how and why the Exodus has continued to be vital to Jews throughout the unfolding of the Jewish experience As an interdisciplinary work it incorporates contributions from a range of Jewish Studies scholars in order to explore the Exodus from a variety of vantage points It addresses such topics as the Jewish reception of the biblical text of Exodus the progressive unfolding of the Exodus in the Jewish interpretive tradition the religious expression of the Exodus as ritual in Judaism and the Exodus as an ongoing lens of self understanding for both the State of Israel and contemporary Judaism The essays are guided by a common goal to render comprehensible how the re envisioning of Exodus throughout the unfolding of the Jewish experience has enabled it to function for thousands of years as the central motif for the Jewish people

**The Politics of Nonassimilation** David Verbeeten, 2017-05-15 Over the course of the twentieth century Eastern European Jews in the United States developed a left wing political tradition Their political preferences went against a fairly broad correlation between upward mobility and increased conservatism or Republican partisanship Many scholars have sought to explain this phenomenon by invoking antisemitism an early working class experience or a desire to integrate into a universal social order In this original study David Verbeeten instead focuses on the ways in which left wing ideologies and

movements helped to mediate and preserve Jewish identity in the context of modern tendencies toward bourgeois assimilation and ethnic dissolution Verbeeten pursues this line of inquiry through case studies that highlight the political activities and aspirations of three generations of American Jews The life of Alexander Bittelman provides a lens to examine the first generation Born in Ukraine in 1892 Bittelman moved to New York City in 1912 and went on to become a founder of the American Communist Party after World War I Verbeeten explores the second generation by way of the American Jewish Congress which came together in 1918 and launched significant campaigns against discrimination within civil society before during and especially after World War II Finally he considers the third generation in relation to the activist group New Jewish Agenda which operated from 1980 to 1992 and was known for its advocacy of progressive causes and its criticism of particular Israeli governments and policies By focusing on individuals and organizations that have not previously been subjects of extensive investigation Verbeeten contributes original research to the fields of American Jewish intellectual and radical history His insightful study will appeal to specialists and general readers interested in those areas **Talking Back** Joyce Antler,1998 Essays that discuss the portrayal of Jewish women in American culture My People's Passover Haggadah Lawrence A.
