**Passing Rhythms** Stephen Hopkins, Cathy Long, John Williams, 2001-03-01 Liverpool Football Club in stark contrast to its competitors remains locally owned not a conglomerate or media business Unlike its main rivals the Liverpool club has been loathe to pursue global markets for merchandizing though it attracts a huge fandom around the world and its ambitions remain resolutely fixed on footballing success No football club has ever had such an extended period of dominance in the English game nor extended that dominance to Europe so effectively Many of the current crop of top young players are locally born and are a central feature of the city's nightlife as well as national icons in pop football youth culture But there are fears that the Club's great days have now passed At the height of its powers in the 1980s Liverpool FC was the site of two catastrophic crowd disasters which effectively transformed the sport and added to wounding perceptions about the city's alleged sentimentality fatalism and irreversible decline The legacy of the Heysel and Hillsborough tragedies continues to shape the self image of the Club and those who support it A seething rivalry with nearby corporate giant Manchester United is a constant reminder of football's new order Addressing all of these concerns as well as Liverpool's global reputation as the home of the Beatles and the Mersey sound this book takes an original approach to the study of football by examining its links with other important popular culture forms especially pop music but also television and youth styles In particular however it looks at the very special meaning of football in Liverpool

**Red Men** John Williams, 2011-04-01 In Red Men a unique and exhaustively researched history of Liverpool Football Club John Williams explores the origins and divisive politics of football in the city of Liverpool and profiles the key men behind the emergence of the club and its early successes The first great Liverpool manager Tom Watson piloted the club to its first league championships in 1901 and 1906 before taking the club to the FA Cup final in 1914 Watson and the key members of those early Liverpool teams are analysed in depth as is the role of the club and its fans in the city as Merseyside balanced self improvement and cosmopolitanism with almost unimaginable problems of poverty Liverpool secured consecutive league titles in 1922 and 1923 with the incomparable goalkeeper Elisha Scott as its totemic star and the darling of the Kop In the 20s Liverpool was also the first British club to internationalise its playing staff The club's next league title came in 1947 but in the bleak 50s the Liverpool board ruled with an iron fist and controlled the purse strings until Bill Shankly arrived and won that elusive first FA Cup in 1965 The recent tragedies that have shaped the club's contemporary identity are also covered here as are the new Continental influences at Liverpool and of course the glory of Istanbul in 2005 Red Men is the definitive history of a remarkable football club from its formation in 1892 to the present day told in the wider context of the social and cultural development of the city of Liverpool and its people

**Joe Fagan**

Andrew Fagan, Mark Platt, 2012-08-16 On 30th May 1984 Joe Fagan made football history he became the first English manager to win the Treble After just one season as coach he had led Liverpool to victory in the League Cup the League Championship and finally the European Cup beating AS Roma on home soil after a gripping penalty shootout It was an unprecedented triumph the culmination of a twenty five year career at the very heart of the Liverpool machine and the end of a golden age Unassuming down to earth and never one to court publicity little is known about Joe Fagan a man who played a pivotal part in Liverpool's domination of the game in the Sixties Seventies and Eighties but whose achievements were later obscured by disaster A Scouser born and bred he joined the Anfield coaching staff in 1958 after a playing career at Manchester City and years learning his craft in the lower leagues At the time Liverpool were in the stranglehold of Second Division mediocrity but then a year later Bill Shankly arrived and everything changed With a knack for nurturing the talents of precocious youngsters Fagan quickly became part of Shankly's trusted inner circle Indeed not only was Fagan one of the original members of the fabled Boot Room he is widely credited with its creation Under Bob Paisley Fagan was appointed second in command So when Paisley stepped down the reluctant Fagan was the obvious and only choice to succeed him and what followed surpassed the dreams of even the most success spoilt Kopites However just one year after Liverpool's European triumph in Rome the death of 39 fans at the Heysel Stadium in Brussels saw the club's glittering record tarnished by tragedy and English football exiled from Europe Fagan announced his retirement just hours later and stepped back into the anonymity he craved Now drawing for the first time on Joe Fagan's own diaries as well as a raft of new interviews with players colleagues and contemporaries this biography celebrates the record of one of football's least celebrated greats and reveals the inner workings of Liverpool's golden age
