Sharing The Work Sparing The Planet Work Time Reduction Consumption And The Environment:

Sharing the Work, Sparing the Planet Anders Hayden,1999 This text argues that work time reduction can contribute to reducing ecological stress by emphasising free time over material consumption The book explores the obstacles and key questions and describes the numerous practical attempts to begin translating the idea into reality **Post-Growth Work** Irmi Seidl,Angelika Zahrnt,2021-09-08 This book argues that society must rethink the notion of formal employment and instead introduce and spread the notion of meaningful work so that societies can become independent of economic growth The excessive consumption of natural resources and the immense emissions resulting from our growth oriented economic system surpass the planetary boundaries Despite this society and the economy still strive for economic growth in order to generate jobs to finance the social security system and to assure tax income However these expectations are increasingly unrealistic not least because technological developments such as digitalisation and robotisation will change and limit formal employment opportunities as well Against this backdrop the book introduces the notion of meaningful activities that embrace various kinds of work paid and unpaid sequential or in parallel which are meaningful for the worker as well as society as a whole At the same time the authors argue in favour of reduced working time in formal employment Furthermore the book also describes the necessary transformations in companies and for consumers for social and tax systems for social services and agriculture Innovative and timely this book will be a key resource for professionals and scholars interested in sustainability economics work transformation and post growth studies Monthly Labor Review ,2001 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Choice** ,2000 *Our Times* ,2005 **Alternatives Journal** ,2001 Canadian environmental ideas action varies **The Canadian Forum** ,1999 How Societies Work Joanne Naiman,2004 *Alternatives* ,2000 Saskatchewan Law Review ,2004 Book Review Digest ,2002 **Index de Périodiques Canadiens** ,1999 Public Opinion ,1886 **Union Pacific Employees' Magazine** ,1891 *Public Opinion* ,1886 Sharing the Work, Sparing the Planet : Reduced Work Time, Overconsumption, and Ecological Sustainability York University (Toronto, Ont.).
