

Shark Eyewitnesss

Hal Scharp

Shark Eyewitnesss:

Shark Angela Royston, 2020 Provides facts about sharks including anatomy their place in the food chain and the threats they face Teaching with Intention Debbie Miller, 2023-10-10 Effective intentional teaching begins with a strong set of beliefs but even the best teachers including author Debbie Miller struggle to make sure that their classroom practice consistently reflects their core convictions In Teaching with Intention Defining Beliefs Aligning Practice Taking Action K 5 Miller defines her actions to ensure that children are the true beneficiaries of her teaching As Peter Johnston writes Through this book we have Debbie s teaching mind on loan She engages us in the details of a teaching life from inside her mind showing the thinking behind her teaching and the consequences of her actions Teaching with Intention brings us into classrooms of teachers and children Miller has met over the last five years in her work as a literacy consultant From setting up the classroom environment to the intentional use of language from comprehension instruction to lesson design Miller is explicit about what she does and why At the same time she encourages teachers to develop their own belief statements concerning teaching and learning and includes key questions to guide them in this important process In an environment where the handing down of scripted programs and foolproof curricula is increasingly the norm Teaching with Intention offers a compelling reminder that truly transformative teaching is built from the ground up and is rebuilt every year by every teacher in every classroom with every new group of students *Eyewitness Shark* Miranda MacQuitty, 2014 This updated edition of Eyewitness Shark is an in depth look at some of the most fascinating and mysterious creatures in the ocean from the gracious sting ray to the voracious great white Vivid photographs of various shark breeds including hammerheads angel sharks horn sharks and more combine with informative text highlighting shark artifacts stories of shark attacks how a shark detects its prey and more offering a close up look at one of the most awesome animals on the planet their behavior and secret underwater lives The introduction of paperback editions eye catching jackets and updated interiors ensure that the Eyewitness series will continue to be relevant in the ever changing world of education and remain the go to source for homework help research projects reluctant readers ESL students and as always to satisfy the minds of curious kids

Science Scope ,1998 The Science Teacher ,1998 Some issues are accompanied by a CD ROM on a selected topic
