She Killed In Ecstasy:

The Films of Jess Franco Antonio Lázaro-Reboll, Ian Olney, 2018-08-20 The Films of Jess Franco seeks to address the scholarly neglect of this legendary cult director and to broaden the conversation around the director's work in ways that will be of interest to fans and academics alike

Ecstasy's Endgame Tessa McKay, 2011-02-15 Kyra Morgan always wanted to live in the past and now she's found a way to do just that Whether she likes it or not Wrapping herself in black velvet under the sweltering Southern sun Kyra spends her summers working at the Tudor Rose Renaissance Festival as a Lady in an imaginary royal court She hasn't had much luck with men either and has little interest in handing over her heart again so she immerses herself in her scholarship and the local faire where she can escape into the past and ignore the problems of the present day Rafe Harrison is hard to ignore however Handsome confident and boorish he is beloved by most everyone at the faire particularly the women Even Kyra's best friend is quick to champion him much to Kyra's dismay Kyra knows little about Rafe but wisely despises his bravado his appeal and his slipshod reenactment methods And when Rafe is implicated in her best friend's riding accident she cannot forgive him for his neglect or herself for the unwelcomed sensations he stirs within her But after tampering with a gypsy potion Kyra suddenly finds herself and Rafe transported back to sixteenth century England and it is nothing like the 1500's back home It is a dangerous time of court intrigue French wars and Scottish insurrection Kyra soon finds that she must learn to trust the courage and heart of the man she reviles if they are to survive And more importantly she must learn to trust her own heart as she fights for both her own and Rafe's survival upon one of the bloodiest battlefields in England Flodden

January's Thaw J. Conrad Guest, 2012-01-12 Many people obsess over their past but no one more than I Perchance it's because as a man out of time I left behind so much of it un-lived If that makes little sense consider that I'm a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self-professed courage to never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man's nature to judge others or discount my story as the ravings of a lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently
