Shelly On Love:

An Unexpected Love Debbie Macomber, 2025-04-01 The perfect match is just around the corner for these women who consider themselves unlucky in love The Man You ll Marry After her best friend s wedding Jill Morrison finds that the bride has sent her the dress a family heirloom that foretells that the first man she sees is the one she ll marry There s no way the man she sat beside on the plane gorgeous grouch Jordan Wilcox is the one in question right After all she met him before she got the dress Bride on the Loose Jason Manning is more than content with his bachelor lifestyle which leaves him plenty of time for his true love watching sports Then a precocious girl named Carrie Weston decides to introduce him to her mother Charlotte To his relief she s just as averse to marriage as he is so imagine their surprise when that all begins to change

The Road Behind Me RjCook, 2022-02-18 It s been said a man falls in love an average of three times in his life If that s an accurate assessment it stands to reason two of those three must end in heartbreak Author RjCook had the misfortune of experiencing two of his three heartaches before the age of twenty both within the same year separated by only a few months The Road behind Me narrates his story of lost love a tale of a journey and a late in life epiphany all predicated on a single deception that he lived with for the better part of forty years This memoir tells how from the summer of 1974 to the summer of 1975 he traveled from New Jersey to California to escape the pain of a broken heart only to discover that distance did nothing to diminish his memories A true story of the author s failed attempt to create a new life for himself The Road behind Me shares the adventures he encountered almost a continent away from home It s a story of growing up and falling in love in suburban New Jersey of losing love and seeking refuge in the land of milk honey and Disney and of returning home a defeated and forlorn road warrior all during the time of peace and love Woodstock Nixon and Vietnam *The Downward Spiral* Leonard Kreger II, 2010-06-10 The Downward Spiral Beginnings and Endings tells a story about numerous characters and their lives and how they cope with the ups and downs of the world they live in One scene in particular is pivotal and brings them together on a snowy day in Schaumburg Illinois Life will change forever for some in this tale Music plays a large part along with the day to day life that people live and their jobs they report to and how they communicate with others and how they deal with loss It focuses on a mother and a husband and then a son Then it becomes just a mother and son They go through life with problems like everyone and you see how they deal with them and how they get through the difficult times The arguments they have and the love that they find and lose You see how a boy grows up into a teenager and see his likes and dislikes and what he seems to want in life A mother who deals with things not always going her way and just adjusting to it and hoping things turn out for the best We learn about other characters who have smaller roles in this tale but they are as well very important and you fell for them and what they have in relationships and their careers and their families They are out doing the most normal tasks and talking with friends and communicating with their pets They are dealing with the snow and the winter in the Midwest A world can be cruel and it can tear things apart if you re not careful They have no idea what

is to come but they are real people with problems and issues and some are in love and some are in the process of fixing their mistakes and they will be in the same place on a cool snowy February Saturday Beginnings and Endings this is true in many senses as this novel goes on Lives and relationships and love and events they all are part of this cycle Some of these things end and some of these begin This world is filled with sadness and darkness and then at the same time it is filled with some happiness and the characters are set to these feelings and that day A boy and his mother wait outside and wonder what just happened and you have no real answer for him What do you say That wasn't what you expected to see and you didn't expect to hear screams Her husband his father picks them up and they drive off with a new sense of life and a feeling of sadness has taken over them

Summer in Greece Patricia Wilson, 2021-04-15 Could these crystal clear waters hide the secrets of her past Present day For years Shelly Summer has buried herself in her work trying to forget her past The only time she feels truly herself is when she's diving in the Mediterranean the calm and stillness of the clear waters help her forget Back home Shelly stumbles across the belongings of her great grandmother Gertie Smith including a recording of Gertie's memoirs As Shelly listens to it she starts to uncover the secrets of Gertie's past which might just hold the key to letting go of her own 1916 When trainee nurse Gertie Smith signs up for the war effort she is thrilled to learn that her destination will be Greece With a head full of blue skies and handsome men she boards the Titanic's sister ship the ill-fated hospital ship Britannic Unprepared for the horrors of war she heads for the Greek island of Lemnos on a mission to rescue three thousand wounded British soldiers But tragically the Britannic never reaches its destination When rescued Gertie is taken to the Greek island of Kea where she meets and falls in love with a Greek fisherman Manno but she finds herself torn between him and her duty to an English soldier Gertie cannot shake the guilt she feels from that tragic night the ship sank and is afraid her past will eventually catch up with her Escape to paradise this Christmas with an irresistible tale of love and loss
