

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functionable.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

 performance that Leah Lagos PsyD BCB an internationally known expert in biofeedback and sport and performance
 psychology wants us to know In this book she shares with readers for the first time the same program that she uses with top
 athletes CEOs business leaders anyone who wants and needs to perform at their best What makes her scientifically proven
 10 week program unlike any other is that she recognizes the link between heart rhythms and stress to create specific
 clinically tested exercises and breathing techniques that allow you to control your body s physical response to stress She
 pairs this training with cognitive behavioral exercises to offer a two tiered process for strengthening health and performance
 enabling readers to respond more flexibly to stressful situations let go of negative thoughts and emotions and ultimately be
 more focused and confident under pressure
