Snapchat can be a potent source of engagement Snapchat launched in 2011 And as of early 2020 Snapchat is still one of the top 15 most used social media platforms in the world While Facebook YouTube and Instagram are still seeing significantly more users than Snapchat each month using Snapchat for business could still be an effective way for your brand to reach a new audience This guide provides step by step simple instructions for how to take advantage of one of the hottest forms of advertising in the marketplace Topics include How to Navigate the Snapchat App Why Snapchat Isn t as Shady as It Once Was 3 Ways to Build Your Brand with Snapchat How to Get Snap Ads Max Reach How to Use Goal Based Bidding How to Use Snapchat Geofilters for Branding How to Design Geofilters With Without Photoshop What to Do if Your Asset Is Too Large How to Set Up a Geofilter Campaign How to Ensure Your Geofilter Isn t Lame Why Your Geofilter Should Be Exclusive Why Planning Ahead is Critical How to Avoid Over Paying for Advertising And much more [Signal App](#) Dr. Timothy Zahar,2021-01-17 How do you feel How do you feel when Twitter Facebook Snapchat turn off the US President Donald Trump s account permanently I understand that some of you are supportive some are not interested and the rest many people feel outraged and angry What are they doing with the President of the United States The man who truly kept his promise Make America great again We resent not only because that is how to behave in the style of imposing gagging It is because that act seriously violates the freedom we worship in the West And that is the reason why social networks exist But they broke their promise patted themselves on the face They have exceeded their own limits They engage in politics expressing their likes and dislikes not in a neutral position The behavior of social media platforms must comply with the laws and legal frameworks set by the legislators not the political views of the company executives Obviously when these tech giants shake hands together they will manipulate everything and we will be manipulated It was Facebook and Twitter that controlled navigated and manipulated the news surrounding the 2020 US presidential election All the above shares each of us see existence before our eyes But what s behind all of the above Why did those big techs do that The answer is Rights To Private Personal Information On Internet We are being watched every moment We have been violated personal privacy when participating in platforms Facebook Twitter They have collected the maximum of all the data about us Sometimes I still tell my friends Facebook knows you better than you do So is there a way for us to escape their influence and manipulation Yes We have 2 options Or not join any social networking platform This is difficult today because our work is tied to social connections Or we choose a social networking platform that is committed to respecting our privacy And don t just end up with commitments they need to give us the tools to proactively establish their own security And luckily for you and me there are platforms now that meet these criteria That is Singal A security proven messaging app by tech giants like Elon Musk Or even the CEO of Twitter Jack Dorsey also publicly uses and encourages people to use Signal What do you learn more from reading this book 1 I will show you 7 powerful reasons why you should immediately quit WhatsApp Facebook Messenger and switch to Signal immediately And not only that you will also encourage your friends and colleagues to do the same I commit

to this 2 I will show you how to install Signal and set up the perfect features to help you keep your personal information secure on the Internet So that we will not be under surveillance control and navigate I will write about personal security on the Internet in the simplest most popular way that a 7 year old can understand and share with everyone Now let us get started the journey of finding real freedom on social media platforms Dr Timothy Zahar **Der Snapchat-Report - Was Sie schon immer über Snapchat wissen wollten für Eltern und Anfänger** Rolf Schmiertz,2016
