Weygandt,Paul D. Kimmel,Donald E. Kieso,Ibrahim M. Aly,2018-05-28 Managerial Accounting teaches students the fundamental concepts of managerial accounting in a concise and easy to comprehend fashion Stimulating review materials at the end of each section helps students develop their decision making skills Students are provided the tools and guidance to take more initiative in their learning making them more engaged more prepared and more confident Technology and Oligopoly Capitalism Luis Suarez-Villa,2023-04-14 Technology and Oligopoly Capitalism is a major contribution to our understanding of how technology oligopolies are shaping America s social economic and political reality Technology oligopolies are the most powerful socioeconomic entities in America From cradle to grave the decisions they make affect the most intimate aspects of our lives how we work what we eat our health how we communicate what we know and believe whom we elect and how we relate to one another and to nature Their power over markets trade regulation and most every aspect of our governance is more intrusive and farther reaching than ever They benefit from tax breaks government guarantees and bailouts that we must pay for and have no control over Their accumulation of capital creates immense wealth for a minuscule elite deepening disparities while politics and governance become ever more subservient to their power They determine our skills and transform employment through the tools and services they create as no other organizations can They produce a vast array of goods and services with labor marketing and research that are more intrusively controlled than ever as workplace rights and job security are curtailed or disappear Our consumption of their products and their capacity to promote wants is deep and far reaching while the waste they generate raises concerns about the survival of life on our planet And their links to geopolitics and the martial domain are stronger than ever as they influence how warfare is waged and who will be vanquished Technology and Oligopoly Capitalism s critical multidisciplinary perspective provides a systemic vision of how oligopolistic power shapes these forces and phenomena An

inclusive approach spans the spectrum of technology oligopolies and the ways in which they deploy their power Numerous previously unpublished ideas expand the repertory of established work on the topics covered advancing explanatory quality to elucidate how and why technology oligopolies operate as they do the dysfunctions that accompany their power and their effects on society and nature This book has no peers in the literature in its scope the unprecedented amount and diversity of documentation the breadth of concepts and the vast number of examples it provides Its premises deserve to be taken into account by every student researcher policymaker and author interested in the socioeconomic and political dimensions of technology in America Strategic Marketing Management Syed Akhter,Barney Pacheco,2020-01-13 The fourth edition of

Strategic Marketing Management helps your students understand why strategies are developed how strategies should be developed what type of strategies are appropriate for different market conditions and how strategies achieve a sustainable competitive advantage The authors explain how beliefs and knowledge about markets shape the development of strategies and how to become effective and ethical decision makers **Customer-Dominant Logic** Manfred Bruhn,Maxim Saleschus,Karsten Hadwich,2024-11-26 This book provides a structured overview of Customer Dominant Logic and formulates fundamental principles that form the basis for a realignment of customer oriented corporate management Customer Dominant Logic is an innovative marketing logic that consistently places the customer at the center of all business activities This requires a fundamental shift in perspective where the integration of the provider with the customer takes precedence over the integration of the customer with the provider Based on the principles of Customer Dominant Logic the authors present their own and new systematic management approach They introduce Customer Dominant Management detailing all necessary phases of a management process Customer Dominant Management aims to realize both customer and company goals through the establishment of a partnership with value creating offerings in the customer ecosystem
