do and the disappointment if they don't. This book also deals with advertising on the platform. One brand got almost 4 billion views on their sponsored hashtag challenge. Others are less successful. Some brands even fail to setup their account. Some just throw money at influencers and others miss to understand the platform's culture. It reveals what went wrong with marketing. And how you can become a kick ass marketer on the platform. Understand the platform, get your hands dirty, get over yourself and don't forget there are teens with 35 million followers and 2.2 billion likes on the platform. They don't have an agency nor a department full of degree educated marketers. Your time to get on the platform is now. Want to be in my TikTok the marketing_guy
