### **Natural Monopolies in Digital Platform Markets**

Francesco Ducci, 2020-07-23 Through three case studies, this book investigates whether digital industries are naturally monopolistic and evaluates policy approaches to market power.

**Women Startups** Amelia Green, AI, 2025-03-04 *Women Startups* offers a comprehensive guide for female entrepreneurs navigating the complexities of launching and scaling businesses. It emphasizes the importance of understanding both fundamental business principles and the unique challenges women face, such as gender bias in funding and societal expectations. The book underscores how empowering female entrepreneurs can unlock untapped potential and contribute to a more equitable economic landscape. The approach taken avoids anecdotal advice, instead presenting well-researched strategies supported by empirical data and real-world examples. Intriguing insights include strategies for securing funding through venture capital and alternative sources, as well as building inclusive teams and fostering effective leadership. The book progresses from introducing core entrepreneurial concepts to delving into funding strategies and leadership, culminating in actionable steps for aspiring and current female entrepreneurs. Ultimately, this book distinguishes itself by blending practical guidance with academic rigor, written in an accessible style tailored for aspiring entrepreneurs, business owners, and those interested in promoting gender diversity within the business world. By addressing the gender pay gap and the underrepresentation of women in leadership, it offers informed perspectives and actionable solutions, making it a valuable resource for anyone seeking to understand and navigate the nuances of female entrepreneurship and business management.
