

The background is a collage of various educational materials on a wooden surface. At the top, there's a card with a spider web and a spider, and another with three black circles. To the right, a yellow car and a red fish are visible. In the bottom left, there are green and orange markers. In the bottom center, a hand is using an orange marker to write on a card with a dashed line. A circular logo is in the bottom right corner.

**Berries Grade 2 D Practice** Lory G. Harboyan, 2007-06-04 Berries offers learners in elementary classes the opportunity to discover the joy in learning. It provides through fun and motivating activities all the basic skills for language learning. To that end, learners will be effectively engaged in a well-structured comprehensive program as they master listening, speaking, reading, writing, phonics, spelling, and critical thinking skills. Each of the learner's four books covers a range of components targeting the specific objectives of the respective language areas. Special care has been given to the choice of themes to guarantee motivation and encourage social interaction. Study skills and cross-curricular links are also integrated in the program, helping learners experience global education early on in their academic lives. Berries makes learning fun. 100+ Science Experiments for School and Home, Grades 5 - 8, 2012-01-03 Connect students in grades 5-8 with science using 100 Science Experiments for School and Home. In this 128-page book, students use the scientific method to complete a variety of activities. Each experiment or demonstration includes a materials list and step-by-step instructions. Students investigate weather, the Earth's surface, water, airplanes, jets, rockets, time, and place. Each activity may be completed as an individual student experiment, a teacher demonstration, or a student team project. The materials needed for the experiments are commonly found in the classroom or at home. The book aligns with state, national, and Canadian provincial standards.
