Fear Knot Natasha Swalve, Ruth DeFoster, 2025-10-21 Why do we fear Halloween candy but not vending machines Why do witch hunts recur so often in history How dangerous are serial killers really The Fear Knot examines our most common deeply held fears unpacking which are valid and which are misguided explaining the history of how our irrational fears developed and how we can unlearn them We live in a world seemingly rife with danger a villainous stranger or new deadly bacteria lurking around every corner So how do we sort through these fears determining which are well founded and which have been manufactured How can our biases and psychology allow these fears to overtake us and how can we learn to think logically in a world driven by sensationalism In this lively and timely tour psychologist Natasha Swalve and journalism professor Ruth DeFoster lead readers through the history and psychology behind our most visible and sensational cultural fears beginning with the most personal fear within our bodies and moving outward to the home our country and finally to our broadest society level fears From micro fears like how our fear of vaccines has led to measles epidemics to the broad existential dread associated with climate change and gun violence The Fear Knot examines the toll our fears take on us on an individual and societal level Exploring how shared culture media consumption and even our own brain can help drive incorrect beliefs about risk Swalve and DeFoster help readers to make informed evidence based decisions about fear and risk and along the way to learn how to think critically examine your own beliefs and become confident consumers of media and popular culture Combining psychology and journalism in short light hearted chapters The Fear Knot gives readers a fresh look at Americans perceptions of risk and danger with an emphasis on how to recognize misinformation or biases updated to include the most recent fears that Americans face in the 21st century and the real dangers that we may be ignoring

Introduction to Information Systems R. Kelly Rainer, Brad Prince, 2025-11-04 As digital transformation becomes increasingly central to effective corporate strategy today s students must learn how information systems provide the foundation for modern business enterprises Known for its rich content and focus on active learning Introduction to Information Systems 11th Edition shows students how they can use IS to help their current or future employers increase profitability improve customer service manage daily operations and drive impact in their markets This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources production operations management or MIS In short students will learn how information systems provide

the foundation for all modern organizations whether they are public sector private sector for profit or not for profit **Men Under Attack** Conrad Riker, Are you a father feeling betrayed by the system Discover how Social Services are manipulating and terrorizing parents violating human and parental rights in England under the guise of child protection Learn how these agendas are pushing fathers to the edge and causing irreparable damage to the institution of family and society at large 1 Are you a father being unfairly targeted by Social Services 2 What consequences does family breakdown have on society and our economy 3 Learn how progressive ideologies like Marxism queer theory and feminism are undermining the traditional family structure This book will provide you with an in depth understanding of the current state of social services in England shedding light on the system s corrupt and self serving agenda It will expose the methods used to dismantle the family unit and the devastating impact this has on children parents and society Prepare to be enlightened and galvanized into action as you grasp the complexity of this issue and obtain the knowledge to protect your family Get your hands on Men Under Attack How Social Services are Breaking Down Families in England today and make a stand for your rights as a father and as an individual Take the first step on the path to understanding the system and finding ways to change it Don t let the government take your family away from you buy this book and be part of the solution **Analyse und Gestaltung von**
