COVER LETTER

To the Recruiting Manager,

Learning about PWC has given me a great degree of enthusiasm to be part of a dynamic organization. I am writing to apply for the Manager, Procurement - IT & Telecom role. I am a dedicated and energetic Supply Chain professional with more than 5-years of experience in Strategic Sourcing and Procurement.

Currently, I am working as a Sr. Associate, and I am part of the Global Strategic Sourcing Group at Amgen. I am responsible for strategically sourcing Software licenses (on-premise & SaaS), Technology Services (Build, Run, Implementation, Testing & Automation), Managed Services, and Infrastructure as a Service (IaaS). Annually, I manage more than \$200 M for my internal clients, and so far I have completed 60+ projects in this space.

I have developed expertise in all aspects of sourcing and contract management by negotiating complex contract terms like Data Privacy, Information Security, Limitation of Liability, and Indemnification. In 2019 alone, I have delivered more than \$15M in savings and was recognized for my negotiation skills.

In addition, I help my clients to make sure that the products and services they are buying are well aligned with the company's business and technology strategy. I am also responsible for identifying, evaluating, and managing relationships with key technology suppliers.

Furthermore, I have also worked for The Walt Disney Company and Southwest Airlines as a Graduate Intern in the Strategic Sourcing & Procurement group, and the experience with these companies has helped me enhance my Sourcing and Contracting skills in many ways. Before moving to the US, I have two years of experience in Purchasing and Inventory Management in the Indian retail industry.

I have a solid educational background, with a Master of Science degree in Supply Chain Management from the University of Texas at Dallas and a Bachelor's Degree in Business Finance & Economics.

I believe my knowledge and experience make me an excellent fit for this opportunity. I have attached my resume for your review and would welcome the chance to speak with you sometime.

Thank you for your valued time & professional consideration.

Sincerely,
Alonso Torres
