Plant A Church Reap A Harvest Nad Church Ministries Series:

Plant a Church, Reap a Harvest Roger L. Dudley, Clarence B. Gruesbeck, 1989-01-01 **Planting Churches That Reproduce** Joel Comiskey, 2008-12 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only Gods supernatural power can draw people to the truth and liberate them to be all that God wants them to be The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirits power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The books first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts **Children in Cell Ministry** Joel Comiskey, 2015-11-14 In this ground breaking book Joel Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples who make disciples Comiskey lays out the Biblical base for children s ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text Comiskey highlights how to disciple children in both the large group and the small group He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group He then writes about children only cell groups citing many practical examples from some of the most effective cell churches in the world Comiskey covers equipping for children how to equip the parents and mistakes in working with children in the cell church This is a must read book for all those wanting to minister to children both in large and small groups **Pastoral Ministry** Dag Heward-Mills, 2011 Discover the keys strategies and principles for successful and effective pastoral work Invaluable tips for training laity to perform priestly functions Understanding that the presence and power of God is the key to doing great works for God Concise instructions on how to receive an anointing Helpful hints on how to make advancements in Ministry Insightful instructions for the personal development of a pastor One night while studying in a remote town of Ghana God miraculously anointed Dag Heward Mills as he waited upon the Lord He supernaturally heard the words From now on you can teach This supernatural call is what has ushered him into a worldwide ministry Today his Healing Jesus Crusades are conducted throughout the world with thousands in attendance and many accompanying miracles These phenomenal miracles attested to by medical doctors have included the opening of the eyes of the blind the restoring of

hearing to the deaf the emptying of wheel chairs and even the raising of the dead Dag Heward Mills an author of several bestselling books also founded the Lighthouse Chapel International has become a worldwide denomination His radio TV and internet programs reach millions around the world Other outreaches include pastors and ministers conferences and the renowned Anagkazo Bible and Ministry Training Center Dag Heward Mills lives in Accra Ghana with his wife Adelaide and their four children David Joshua Daniella and Paula Disciple Making Is . . . Dave Earley,Rod Dempsey,2013-08 Dozens of brief yet powerful chapters about what it really means to live out the Great Commission in practical terms written by two men with more than sixty years of combined discipleship experience **Beacon** ,2001 **The Primitive Methodist Magazine** ,1874 **How Your Family Can Flourish** Raymond E Ballman,Ray E. Ballmann,1991-07 The issues that face Christians today are more divisive and challenging to family unity than ever before This book is not intended to be just another light reading book on the family but one that provides answers to the radical problems families are encountering in today s world **A Theology for Family Ministry** Michael Anthony,Michelle Anthony,2011-07-01 The times are definitely changing What was once simply referred to as a Nuclear Family in North America has morphed into labels such as Non Traditional Families Fragmented Families Single Parent Families Gay Partner Families Blended Families and beyond It may not always be pretty but it is reality and that s the intersection between biblical ideal and ministry practice writes editor Michael J Anthony in A Theology for Family Ministry With thoroughly researched input from a broad team of family experts the book advises church and ministry leaders on how to make biblically and philosophically informed choices when reaching out to adults and children within these shifting paradigms Emphasis is placed on what the Scriptures teach about the composition of the home followed by discerning and hopefilled strategies for helping all families live out their God given mandates While the family may continue to change into models that bring discomfort and angst to some of us we rest in the assurance that God has a plan for those who live in any of these new configurations of what we now call family explains Anthony Other contributors include Ken Canfield Michelle D Anthony Karen E Jones Freddy Cardoza Michael S Lawson Richard Melick Jr Curt Hamner Leon Blanchette Gordon R Coulter James W Thompson Timothy Paul Jones Randy Stinson Kit Rae and David Keehn The Encyclopædia of Missions Edwin Munsell Bliss,1891 **The Epworth Herald** ,1896 **The encyclopædia of missions, ed. by E.M.
