Plato The Man And His Work:

Plato A. E. Taylor,2012-09-10 This book provides an introduction to Plato s work that gives a clear statement of what Plato has to say about the problems of thought and life In particular it tells the reader just what Plato says and makes no attempt to force a system on the Platonic text or to trim Plato s works to suit contemporary philosophical tastes The author also gives an account that has historical fidelity we cannot really understand the Republic or the Gorgias if we forget that the Athens of the conversations is meant to be the Athens of Nicias or Cleon not the very different Athens of Plato s own manhood To understand Plato s thought we must see it in the right historical perspective *Plato* Alfred Edward

Taylor,2001-01-01 This outstanding work by a renowned Plato scholar presents the thought of the great Greek philosopher with historical accuracy and objective analysis A brief introductory chapter about the philosopher s life is followed by an in depth examination of his voluminous writings particularly the dialogues A substantial appendix explores works often attributed to Plato Plato Alfred Edward Taylor,1911 Plato, the Man and His Work, by A.E.
