Public Policy In Canada An Introduction:

Public Policy in Canada Stephen Brooks, 1989 **Public Policy in Canada** Stephen Brooks, Lydia Anita Miljan, 2003

Combining a theoretical and conceptual approach to public policy Stephen Brooks and Lydia Miljan examine what governments do why and what the consequences are for the political social and economic fabric of Canada Part I considers the concepts theories and context of public policy as well as policy implementation while Part II presents six issue areas including macroeconomic policy social policy health policy family policy aboriginal policy and water policy *Interregional Migration and Public Policy in Canada* Kathleen Mary Day, Stanley L. Winer, 2012 Given Canada's vast geography and uneven distribution of economic activity almost all Canadians have at one time or another faced the question of whether an interprovincial move would make them better off Using a unique dataset based on income tax records authors Kathleen Day and Stanley Winer examine the factors influencing the decision to migrate within Canada paying special attention to the role of regional variation in the generosity of public policies including unemployment insurance taxation and public expenditure the influence of extraordinary events such as the election of a separatist government in Quebec and the closure of the east coast cod fishery is also considered They look at why we ought to be concerned about public policies that interfere with market based incentives to move provide a wealth of information on interregional differences in public policies and market conditions and examine what other researchers have discovered about fiscally induced migration culminating in a discussion of the likely impact of various policy changes on migration and provincial unemployment rates the authors assessment of the lessons to be learned from their own and past research on policy induced migration in Canada will be of interest to students of migration and policy makers alike *Philosophy, Ethics, and Public Policy: An Introduction* Andrew Cohen, 2014-09-15

What makes a policy work What should policies attempt to do and what ought they not do These questions are at the heart of both policy making and ethics Philosophy Ethics and Public Policy An Introduction examines these questions and more Andrew I Cohen uses contemporary examples and controversies mainly drawn from policy in a North American context to illustrate important flashpoints in ethics and public policy such as public policy and globalization sweatshops medicine and the developing world immigration marriage family and education same sex marriage women and the family education and Intelligent Design justifying and responding to state coercion torture reparations and restorative justice the ethics of the body and commodification the human organ trade and factory farming of animals Each chapter illustrates how ethics offers ways of prioritizing some policy alternatives and imagining new ones Reflecting on various themes in globalization markets and privacy the chapters are windows to enduring significant debates about what states may do to shape our behavior Overall the book will help readers understand how ethics can frame policymaking while also suggesting that sometimes the best policy is no policy Including annotated further reading this is an excellent introduction to a fast growing subject for students in Philosophy Public Policy and related disciplines *Unknown MIR Title* Lydia Miljan, 2022-02 Now in its eighth

edition *Public Policy in Canada An Introduction* continues to navigate and examine the changing landscape of public policy in Canada Part I introduces concepts theories and approaches to Canadian public policy while Part II offers a detailed examination of economic affairs social programs health care the family Indigenous peoples and the environment highlighting the latest developments in each field

Bruce Doern,1988 Privatization encompasses the whole or partial sale of state owned companies as well as actions to reduce the role of government and enhance market forces to produce a more competitive economy This document examines the role of public enterprise in Canadian public policy in the context of international and domestic pressures to privatize The volume comprises an editors introduction eight case studies and an overview of recent developments in three provinces *The Canadian Monthly and National Review* Graeme Mercer Adam,George Stewart,1873 Official Report of Debates, House of Commons Canada. Parliament. House of Commons,1893 *Women's Equality, Demography and Public Policies* A. Heitlinger,1993-09-07 Rather than assuming as so many demographers and feminists have done that promoting women s equality and elevating birth rates is incompatible Alena Heitlinger argues that there is no inherently antagonistic relationship of this sort and that there may be mutually compatible pronatal and gender equality policies Based on comparative data from Canada Australia Britain and to a more limited extent the USA her study examines the impact of major international instruments promoting women s equality and national similarities and differences in women s policy machinery provision for maternity and childcare fiscal assistance for families with children and the costs and benefits of fertility related measures vis a vis immigration related measures The author concludes that broadly conceived measures to achieve equal opportunity can

provide a new quite powerful justification for policies which in other contexts may be called pronatalist For the most part pronatalist intent has been non existent but the potential for higher fertility is significant **House of Commons Debates, Official Report** Canada. Parliament. House of Commons,1893
