## **Public Prosecutor:**

*The European Public Prosecutor's Office* L. H. Erkelens, A.W.H. Meij, M. Pawlik, 2014-09-18 In 2013 the European Commission launched its legislative proposal to create a European Public Prosecutor's Office. The proposal provoked fierce debates politically as well as on the academic level. Many national parliaments opposed and submitted formally their grievances to the Commission. Negotiations on the proposal between Member States are still ongoing. The T M C Asser Instituut held the first international conference on this unprecedented proposal. This book reflects the main results of that conference. It provides a concise background of and reasoning for the introduction of this new EU body entrusted with far reaching judicial powers disclosing important legal and policy implications. Within its hitherto limited scope the existing system of judicial cooperation between EU Member States will change fundamentally directly affecting the functioning of national courts and public prosecutions offices. How will this evolve? This book will help answering fundamental questions involved.

**The European Public Prosecutor's Office** Lorena Bachmaier Winter, 2018-11-02 This book explores the European Public Prosecutor's Office (EPPO) the creation of which was approved in the Regulation adopted by the Justice and Home Affairs (JHA) Council on 12 October 2017. The EPPO will be an independent European prosecution office tasked with investigating and prosecuting those crimes defined in the recently adopted Regulation 2017/1371 on combating fraud against the Union's financial interests by means of criminal law. As such it will be a new actor on the EU landscape governed by the principle of loyal cooperation with the national prosecuting authorities. This work clarifies some of the challenges that member states will have to face when dealing with a supranational prosecution authority. In addition it provides guidelines on how to implement the present Regulation while respecting the fundamental rights of defendants in criminal proceedings. The book is of special interest in so far as the analysis and perspective of academics is completed with the contributions of legal experts who have either been involved in the negotiations to establish the European public prosecutor or will be closely linked as public prosecutors to the functioning of the future European public prosecutor's office.

*Shifting Perspectives on the European Public Prosecutor's Office* Willem Geelhoed, Leendert H. Erkelens, Arjen W.H. Meij, 2017-12-19 This book provides answers to the following questions: Is there a bright future ahead for a European Public Prosecutor's Office? If so is the regulation establishing the office sufficiently clear and balanced to attain that goal? Moreover will the office be able to effectively fight fraud now damaging the EU's budget and will it respect the fundamental rights of the parties involved? Included are issues ranging from EU substantive and procedural criminal law combatting EU fraud the distribution of competences in European law enforcement EU fundamental rights to forum choice. The book's aim is to inform academics policy makers and criminal law practitioners about key issues surrounding the attribution of prosecutorial powers to an entirely remodelled European Union body. In doing so it sheds light on this body as fundamentally changed by the Council which will undoubtedly have a greater impact on the European criminal justice system than the European Arrest Warrant ever.

did Dr Willem Geelhoed is Assistant Professor in criminal law and criminal procedure at the University of Groningen The Netherlands and Drs Leendert H Erkelens and Prof Mr Arjen W H Meij are both Visiting Research Fellow at the T M C Asser Instituut in The Hague in The Netherlands while the latter is also Honorary Professor at the University of Luxembourg
