Public Reading Of Scripture A Handbook:

Public Reading of Scripture Clayton J. Schmit, 2002 The reading of Scripture holds a central place in Christian worship Every week the Word of God becomes flesh again as the words of the biblical text are read aloud Those who take on the responsibility of reading Scripture in public do so knowing its importance but rarely having the chance to train in how to do it better Most readers have never been given the opportunity to consider how each act of public reading of Scripture is an interpretation of the text nor have they been given the tools for an effective and faithful reading performance These are the tools that Clay Schmit seeks to offer in this practical guide to the public reading of Scripture He begins with a brief overview of the meaning and importance of the spoken word in worship He then goes on to provide practical detailed instructions on how to understand the text for reading practice reading it aloud with proper emphasis and deliver it in such a way that it becomes alive to the congregation The book concludes with several appendices including a pronunciation guide for biblical words and an annotated bibliography that will point the reader in the direction of further study [The John MacArthur Handbook of Effective Biblical Leadership](#) John MacArthur, 2019-04-02 An overseer must be above reproach 1 Timothy 3 2 Scripture holds leaders and teachers of the Word to an incredibly high standard And for good reason Shepherding God's people into salvation and spiritual growth is an enormous responsibility Even more now than ever today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out But great leaders need great role models Bestselling author John MacArthur has compiled from the internationally renowned Shepherd's Conference the best ever messages for Christian leaders now available in a single volume Alongside MacArthur's candid instructive writings you'll find the works of other proven ministry leaders including John Piper Steven Lawson RC Sproul Ligon Duncan and Al Mohler Whether you're a pastor elder or leader in your church or you desire to be more effective in your spiritual leadership this book will help you learn how to guide others with integrity and conviction deliver God's Word with passion and power accurately interpret and apply God's Word When you accept the challenge to be a leader who follows God's standard both in ministry and personally you will become better equipped to fulfill your calling to lead with excellence *The Sound of Scripture: Reading the Bible Aloud* Barbara Laughlin Adler, 2018-08-21 They read from the book from the Law of God clearly and they gave the sense so that the people understood the reading Nehemiah 8 8 Just as it was in Nehemiah's time congregations today want to hear Biblical texts read clearly giving the sense But the reality is that oral readings during worship services are often inaudible mumbled monotonous or delivered at a rapid machine gun pace This brief guidebook provides simple techniques so that parish lay readers can read with clarity and express the meaning of the Bible's messages The Sound of Scripture will greatly enhance the ability of readers to communicate God's Word clearly giving the sense Dr Adler offers a sensitive and fresh approach which should certainly be extremely helpful for pastors vicars lay readers Sunday School teachers or any who are called upon to read the Bible in public Howard W Kramer PhD President Emeritus Concordia
