\_\_\_\_\_ If you've ever felt like you were out of your element in over your head or working without a net you will love this book Funny fast paced and so emotionally true it hurts Piper Kerman author of *Orange Is the New Black*

\_\_\_\_\_ Guidelines for aspiring stenographers Neutral tones set the tone Be discreet and neat like a librarian or well paid prostitute Breathe quietly or not at all Above all else keep the secrets to yourself In 2012 Beck Dorey Stein was just scraping by in Washington DC when an unusual job interview landed her in the Oval Office as one of Barack Obama's stenographers She joined the elite team who accompanied the President wherever he went recorder and mic in hand On whirlwind trips across time zones Beck forged friendships with a tight group of fellow travellers young men and women who like her left their real lives behind to hop aboard Air Force One in service of the President But as she learned the

ropes of protocol Beck became romantically entangled with a colleague and suddenly the political became all too personal Set against the backdrop of a White House full of glamour drama and intrigue this is the story of a young woman making unlikely friendships getting her heart broken learning what truly matters and discovering her voice in the process
