

The background of the book cover features a microscopic view of various pathogens. At the top, a large, detailed virus with a textured, spherical body and numerous long, thin, radiating spikes is prominent. Below it, several smaller, similar viruses are scattered across the frame. In the bottom left corner, a portion of a larger, more complex microorganism, possibly a bacterium or a larger virus, is visible. The overall color palette is a mix of light blue, dark blue, and purple, creating a clinical and scientific atmosphere.
