Paths are Made by Walking Thérèse Jacobs-Stewart,2003-06-04 Who wouldn't opt for positive action over rash reaction in frustrating situations

Around the Writer's Block Rosanne Bane,2012-08-02 Discover the tricks that your brain uses to keep you from writing and how to beat them Do you Want to write but find it impossible to get started Keep your schedules so full that you don't have any time to write Wait until the last minute to write even though you know you could do a better job if you gave yourself more time Suddenly remember ten other things that you need to do whenever you sit down to write Sabotage your own best efforts with lost files missed deadlines or excessive self criticism The good news is that you're not lazy undisciplined or lacking in willpower talent or ambition You just need to learn what's going on inside your brain and harness the power of brain science to beat resistance and develop a productive writing habit In *Around the Writer's Block* Rosanne Bane a creativity coach and writing teacher for more than 20 years uses the most recent breakthroughs in brain science to help us understand in simple clear language where writing resistance comes from a fight or flight response hard wired into our brain which can make us desperate to flee the sources of our anxieties by any means possible Bane's three part plan which has improved the productivity of thousands of writers helps you develop new reliable writing habits rewire the brain's responses to the anxiety of writing and turn writing from a source of stress and anxiety into one of joy and personal growth

A Kinder Voice Thérèse Jacobs-Stewart,2016-05-17 Too much stress puts us at risk of relapse and can harm our health but how can we avoid stress during a global health crisis Start by calming the critical voice inside Combining thought awareness loving kindness practice and mindfulness meditation this simple time tested method can be used throughout the day to quiet your critical voices and ease the mind Through short accessible phrases readers will learn to reorient thinking when their inner critic shows up You've probably heard it said and have maybe spoken the words yourself I am my own worst critic A negative internal running commentary contributes to a lack of confidence and low self worth in many people Well known mindfulness meditation teacher and author Therese Jacobs Stewart offers one of the most effective approaches to calming a self critical mind the ancient Buddhist practice of using Compassion Slogans Combining thought awareness loving kindness practice and mindfulness meditation this simple time tested method can be used throughout the day to quiet your critical voices and ease the mind Through short accessible phrases you will learn to reorient your thinking when your inner critic shows up Instead of making a negative thought stronger by fighting it you will learn to let thoughts dissipate through lack of attention When you remember to begin kindness with yourself you will find that keeping a compassionate perspective on all that you do and say will allow you to transform your inner critic with a kinder voice Some examples of mindfulness slogans Everything is of the nature to change even me Abandon poisonous food thoughts Rest in the openness of mind Begin kindness with ourselves
