Russian History: A Very Short Introduction Geoffrey Hosking,2012-03-29 Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society Russia s relationship with the West Europe the Soviet experience and the post Soviet era

Practice What You Preach, Preach What You Practice Ronald Barnes,2016-11-30 What does it mean to be religious Religious ethical morality is not just a Sunday set aside or a social protocol to conform to peer group expectations nor should religion be used as a refuge of forgiveness for negative actions that do not change It is important to respect the religion of others even if you do not agree with their teachings However without a basic knowledge of other religions there is no basis for evaluation other than hear say and ignorance which are not rational foundations for evaluation Because the voice of women is diminished by men who devalue the contribution of women or men who attempt to dictate and define what should be the womans role and contribution As a result the world lacks the moral input of women who are considered the moral exemplar for humanity even by many male religious leaders

A Still More Excellent Way Joseph Durepos,2010-06 In 1 Corinthians 12 31 St Paul exhorts the early Christians in Corinth to follow a still more excellent way The way he is speaking of is love genuine selfless love For Paul the ultimate meaning and perfect example of this love is found solely in the crucified risen and reigning Christ With unwavering devotion Paul s post conversion life was focused on one goal to point people to Jesus so they too could experience the unsurpassed joy that Paul himself had come to know through his Lord A Still More Excellent Way encourages and inspires readers through fifty two brief selections from Paul s writings Each Scripture selection short enough to be easily memorized is followed by a story or meditation that supports the verses And although the apostle Paul evangelized in the first century Roman world author Joseph Durepos uses plenty of twenty first century cultural references to make the material highly relevant for people today Equally appropriate for personal reflection or small group study A Still More Excellent Way is an excellent opportunity for anyone to draw closer to Jesus through the unabashedly Christ centered message of St Paul

Galatians
Phillip J. Long, 2019-05-29 Galatians is one of the earliest of the Pauline letters and is therefore among the first documents written by Christians in the first century Paul's letter to the Galatians deals with the first real controversy in the early church the status of Jews and gentiles in this present age and the application of the Law of Moses to gentiles Paul argues passionately that gentiles are not converting to Judaism and therefore should not be expected to keep the Law Gentiles who accept Jesus as Savior are free in Christ not under the bondage of the Law Galatians also deals with an important pastoral issue in the early church as well If gentiles are not under the Law are they free to behave any way they like Does Paul's gospel mean that gentiles can continue to live like pagans and still be right with God For Paul the believer's status as an adopted child of God enables them to serve God freely as dearly loved children Galatians Freedom through God's Grace is commentary for laypeople Bible teachers and pastors who want to grasp how the original readers of Galatians would have understood Paul's letter and how this important ancient letter speaks to Christians living in similar situations in the twenty first century
