Jensen, 1991-08-01 Although the apostle Paul was in Thessalonica only a short time his teachings had an enormous effect on the young believers living there His first letter was both a reminder of what he had taught them and a call for each believer to be prepared for the imminent return of Christ In his second letter you will see how Paul handled misunderstanding and anxiety regarding the Day of the Lord This Self Study Guide will be an indispensable aid as you study Paul s letters to the Thessalonians The books in the Jensen Bible Self Study Guide series are designed to provide you with a broader understanding of God s Word Offering historical context and background author information charts and other helps these books will equip you with a comprehensive reference tool you ll return to often Each study includes an opportunity for analysis response and further study in a response oriented format The thirty nine books in this series are suitable for both personal and group use      **Paul's Journey Letters** Christopher R. Smith, 2011-04-06 These studies guide you through Paul s first six letters leaving you a much deeper and personal understanding of what God was doing      [The First and Second Letters to the Thessalonians](#) Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text for today Among other things Fee explores the occasion for Paul s writing of each epistle restoring 2 Thessalonians to its rightful place as a full companion to the first letter not merely a tagalong to 1 Thessalonians A labor of love on Fee s part this commentary will serve to help rescue 1 and 2 Thessalonians from their Cinderella status among Paul s letters Fee s primary target is the proverbial busy pastor who wants help in understanding the biblical text as he or she prepares to preach or teach However as with all his commentaries he also provides solid exposition for students in the process of learning how to preach or teach

and enough technical material mostly in the footnotes so that even the scholar can benefit      *Galatians and I & II Thessalonians* Robert James Utley, 1997      *An Inspirational Study of First and Second Thessalonians and Galatians* John W Wyckoff, 2023-07-07 An inspirational study guide to Paul's letters to the Thessalonians and Galatians The author provides a brief exposition of each individual passage followed by informative commentary and inspirational thoughts on the eternal truths found in each passage Challenging life applications are included at the end of each chapter along with reflection discussion points to stimulate further reflection and discussion on the eternal truths in each chapter Suggested responses to the reflection discussion points are provided at the end of each of the three individual letters      *1 & 2 Thessalonians For You* Ligon Duncan , 2023-07-01 Applied expository Bible study guide to 1 and 2 Thessalonians We've been saved by Jesus so what's next How do we discern good teaching from bad what does it look like to grow in holiness and what should our expectations be for the future Find answers to those questions in the warm instructive letters Paul wrote to the Thessalonian church Pastor and professor Ligon Duncan unpacks these two letters verse by verse teaching us about Christ's future return and showing us what it means to live in the light of that whether we're new Christians seasoned ministers of the gospel or somewhere in between Along the way we see why Scripture is so important learn to find reasons for thankfulness clarify our beliefs about death judgment and eternity and witness Paul's deeply pastoral attitude toward his readers This accessible absorbing expository guide is less academic and more applied than a traditional commentary This makes it a great resource for personal devotion as well as useful for leading small group studies or for sermon preparation There is an accompanying Good Book Guide available to purchase for small group Bible studies      **Romans & Galatians & 1st Thessalonians** Marcos Kruse, 2025-02 This work brings together now in its 2nd edition revised corrected and expanded three distinct works The first on Romans had already been published before Now I bring together that first work with the commentary on the Letter to the Galatians and also on the 1st Letter to the Thessalonians presenting the three commentaries in the same volume Only Thessalonians was not published as a separate volume The demand for this procedure arises from the well known fact that these letters of the Apostle Paul are fundamental to evangelical preaching Galatians and Romans illuminate each other This strong theological bond was perceived in the Reformation movement that occurred in Europe in the 16th century However despite the enormous contribution of the Reformation movement the publication of new works that emphasize the semi Pelagian and Calvinist hermeneutics in relation to the theme of faith in Christ point to the insufficiency of the approach to the theology of the Apostle Paul The letter to the Thessalonians on the other hand points out in an incipient way many of Paul's positions that would later be consolidated in the writing to the Romans Incisively we point out that the theology developed by the apostle Paul did not in fact become victorious in the history of the Church The simplicity of the power of Pauline theology came up against several difficulties in understanding including cultural ones The freedom of the gospel let us say is something simple in theory In practice people prefer to be imprisoned Christianity as it became institutionalized lost

its ties to the radical message of the cross as the foundation for preaching the good news Furthermore although there are other important letters by Paul that could comprise a volume of related commentaries I believe that the theological analysis of these three letters is essential because of the theme that is presented Romans is a more thought out letter and Galatians is a letter that overflows with precision the theme of the gospel that is being announced by Paul These are visceral letters of theology if it is possible to put it that way Thessalonians is not far from such theological bubbling I wrote all these comments for the reader May the reading confront the superficial interpretations of biblical texts May the theology of the apostle Paul be provocative and above all liberating This world lives under many enormous and heavy chains and more than ever it is necessary to proclaim the freedom of the gospel These chains imprison people around money sexuality beliefs and fear The Gospel of Jesus is liberating from all chains and it is essential to proclaim this This is the motivation for writing these comments

**The Epistles of Paul to the Thessalonians** Leon Morris,1984 Tydale New Testament Commenteries contains the Epistle of 1 2 Thessalonians and also book 13 *Early Letters* Bob Young,2019-06-06 This guide is not intended to take the place of your own Bible reading and study but is intended to provide insights and suggestions as you read the Bible and to be a resource that will help you check your understanding You are encouraged to use this guide and your own Bible side by side Some sections of this guide may be difficult to understand unless one can identify the specific part of the text that is being described or explained No specific translation of the biblical text is included in this guide Two goals influenced the decision not to include a translation of the biblical text First it is hoped that you will be encouraged to use your own study Bible Second these notes are designed to be helpful in biblical study regardless of the version the reader may prefer for personal Bible study My primary purpose is to make it easier for you the reader and student to analyze and understand the text Ultimately you are responsible for your own interpretation of the Bible and you cannot simply follow what a favorite preacher or commentator says Often the study notes for a chapter or subsection of a chapter are followed by a brief summary of the content focusing on the message *Paul's Missionary Letters* Christopher Smith,2011-03-10 Feel live and breathe Pauls missionary letters when you study them in the context of his life and work These studies will guide you through Pauls first six letters leading you through the where when and why they were written leaving you a much deeper and personal understanding of what God was doing Follow the dramatic unfolding story of Pauls life through 1 and 2 Thessalonians 1 and 2 Corinthians Galatians and Romans He spread the gospel guided and directed the work of local churches and explained to the wider world who knew nothing of Jesus just who Jesus is and what he has done The Understanding the Books of the Bible series enables groups to take a new approach to studying the Bible together Instead of following artificial chapter and verse divisions these study guides lead groups through whole books following their natural outlines and pose engaging questions for discussion and personal application all along the way *The Letter of Paul to the Galatians* R. Alan Cole,1989 Cole s study of the Book of Galatians is a contribution to the Tyndale New Testament

Commentaries a popular series designed to help the general reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities

**The First and Second Epistles to the Thessalonians**

Ernest Best, 1993-10 Since its appearance nearly 35 years ago Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary Each book in the series includes an insightful introduction to the important historical literary and theological issues key terms and phrases from the translation highlighted in the commentary where they are discussed explanations of special Greek or foreign terms references to important primary and secondary literature and a Scripture index The 1974 estimate by Interpretation that Ernest Best's volume on 1-2 Thessalonians is probably the best exegetical study of I and II Thessalonians available a superb commentary continues to ring true nearly 20 years later This is indeed one of the finest commentaries on 1-2 Thessalonians available in any language The Journal of Theological Studies called it exhaustive and concluded by saying that the commentary is reliable judicious and nearly always lucid He Best takes us as far as we can reasonably go in understanding the mind of Paul as it expressed itself in these writings

1-2 Thessalonians David Guzik, 2013-03 A verse by verse commentary on the letters of 1 and 2 Thessalonians The Apostle Paul's two letters to the Christians in Thessalonica are remarkable for how they speak to the past work of God among them the present work of God and what God will do for them in the future even unto the coming of Jesus for His church In them we find how God speaks to our own past present and future David Guzik's commentaries are noted for their clear complete and concise explanation of the Bible Pastors teachers class leaders home study groups and everyday Christians all over the world have found this commentary series remarkably helpful
