Before its all over some of those involved will be dead some will be hospitalized some will be arrested and one person will end up filthy stinking rich Who will get away with the loot Read the book to find out     **Behind the Scenes** Nikki Tate,2007-12-06 Canadian Children s Book Centre Our Choice 2009 Where did thoroughbreds come from Why do they call it a steeplechase What s the difference between trotting and pacing Did you know that winning jockeys are weighed before and after a race Experienced horsewoman Nikki Tate takes the reader behind the scenes to examine the world of the racetrack Sections include The history of horse racing from chariots to chuckwagons An examination of the racing breeds from thoroughbreds to quarter horses The role of the trainers grooms farriers track vets pony riders outriders and paddock judges Care of a horse at the racetrack Horse equipment The jockey s training What goes on in the racing office How to read the program How the starting gates work Drug use and cheating and A horse s life after the racetrack An examination of horse racing from a history of the breeds developed for the sport through training and caring for horses at the track to the day of the race and beyond     Racetrack Betting Peter Asch,Richard E. Quandt,1986 A day at the races with its colorful variety and fact paced action appeals to people from all walks of life Not surprisingly the idea of going home with a few more dollars than when one arrived is part of horseracing s charm In this entertaining but substantive volume two distinguished economists who happen to be horseracing buffs outline a tested strategy for placing bets that will increase the reader s chances of a happy outcome at the track The authors are the first to point out that getting rich at the racetrack is unlikely They do maintain however that with attention to their systematic approach the racing fan can achieve the best possible chance at winning In the process the reader learns some of the most important measurement techniques in the social sciences as well as the basic methods of market analysis     **Simulation & Games** ,1985     **The Gambler's Bible** Margaret Cronin Fisk,1976     **National Live Stock Journal** ,1887     Popular Computing ,1984     **Staff Memorandum on Pari-mutuel Wagering** Indiana.
