AQA A-level Business (Surridge and Gillespie) Malcolm Surridge, Andrew Gillespie, 2019-10-21 Surridge and Gillespie's bestselling AQA textbooks brought together in one updated volume covering the whole of AQA A level Business. This textbook's content matches the specification in Surridge and Gillespie's accessible style. Engages students with updated case studies of real companies helping students see how business concepts and theories relate to the real world. Gives students the opportunity to build the skills they need for assessment with practice questions throughout. Helps students to build up their quantitative and analytical skills with opportunities to analyse data. Supports student revision with new end of unit recap sections. Helps you cut down your preparation and marking time with an accompanying Answer Guide. The accompanying Answer Guide has not been through the AQA approval process.

Natural Monopolies in Digital Platform Markets

Francesco Ducci, 2020-07-23 Through three case studies, this book investigates whether digital industries are naturally monopolistic and evaluates policy approaches to market power.

Women Startups Amelia Green, AI, 2025-03-04 Women Startups offers a comprehensive guide for female entrepreneurs navigating the complexities of launching and scaling businesses. It emphasizes the importance of understanding both fundamental business principles and the unique challenges women face, such as gender bias in funding and societal expectations. The book underscores how empowering female entrepreneurs can unlock untapped potential and contribute to a more equitable economic landscape. The approach taken avoids anecdotal advice, instead presenting well-researched strategies supported by empirical data and real-world examples. Intriguing insights include strategies for securing funding through venture capital and alternative sources, as well as building inclusive teams and fostering effective leadership. The book progresses from introducing core entrepreneurial concepts to delving into funding strategies and leadership, culminating in actionable steps for aspiring and current female entrepreneurs. Ultimately, this book distinguishes itself by blending practical guidance with academic rigor, written in an accessible style tailored for aspiring entrepreneurs, business owners, and those interested in promoting gender diversity within the business world. By addressing the gender pay gap and the underrepresentation of women in leadership, it offers informed perspectives and actionable solutions, making it a valuable resource for anyone seeking to understand and navigate the nuances of female entrepreneurship and business management.
