Practice Wisdom Donald F. Krill,1990 Providing a programme to generate personal awareness and growth this book is aimed at practitioners and students in the helping professions Describing learning experiences such as the use of journals practice in dyads and role lay Krill demonstrates how these help the student understand how his or her individual identity contributes to learning He also discusses creativity suggests ways of breaking out of the constraints of categorical thinking and provides a model for training *Practice Wisdom* Donald F. Krill,1990 Subject Guide to Books in Print ,2001

*Practice of Case Management* David P. Moxley,1989 The Practice of Case Management in the Human Services offers a succinct yet comprehensive guide to carrying out a case manager s responsibilities The author explores assessment of the service needs of the client facilitating the client s contact with the appropriate institutions and services monitoring the quality of services provided to the client and taking action when the client s needs are not met He also considers the therapeutic role required when needs are not met because the problems are indigenous to the client Providing an integrated look at practice technologies applicable to a variety of practice areas the volume is appropriate for both preservice and inservice education in the field of human servi **The British National Bibliography** Arthur James Wells,2009 *Family Assessment* Adele Holman,1983-06 A practical guide for human service workers and students which describes and shows techniques for use in assessing families The author reviews a conceptual basis of family assessment in chapters that focus on the family as a system the family and its environment and the family life cycle She goes on to describe such methods of assessment as the ecomap the genogram family sculpture and the use of observation and checklists Throughout the guide case examples are used to illustrate concepts and show the techniques in use A special feature of particular value is the self teaching exercises designed to give the reader practice in applying these ideas and methods A concluding chapter relates family assessment to treatment or intervention **Understand Social Agency** Armand Lauffer,1984-11 This revised and expanded Second Edition of the widely read Understanding Your Social Agency offers students and practitioners a simple yet comprehensive introduction to organizational theory and its meaning for social agencies Each of the first ten chapters is devoted to a particular perspective for understanding the agency The final chapter considers using each of the ten perspectives independently or in tandem to solve problems within or on behalf of the agency It will be a useful guide to solving problems of an organizational nature within an agency Books in Print ,1994 **American Book Publishing Record** ,2006 *Understanding Social Networks* Lambert Maguire,1983 The book is a readable guide to networking theory research and practice Maguire discusses contemporary evidence that social support networks generally made up of nonprofessionals can substitute for or compliment professional care The author has an excellent grasp of the huge academic literature on this subject combined with an easy to follow style British Journal of Social Work Volume 14 1984 *Building Coalitions in the Human Services* Milan J. Dluhy,Sanford L. Kravitz,1990-05 This book focuses positively on a particular kind

of politics of scarcity how human service groups can join forces and work together in coalitions in order to manoeuvre government resources more effectively generate new non governmental resources and find substitute funds The book briefly reviews the experiences of thirteen coalitions and describes how to organize develop and maintain a coalition Exercises give readers the opportunity to apply the knowledge presented in each chapter Forthcoming Books Rose Army,2000

Theory and Practice with Adolescents Fred R. McKenzie,2008 For too long practitioners and students working with adolescents have been forced to consult a variety of sources to bring together theory and practice in a meaningful way Professor McKenzie draws on his extensive experience as both a practitioner and an academic to create a comprehensive book one that provides a strong theoretical base as well as practical techniques to effectively use theory in practice

Proposal Writing Soraya M. Coley,Cynthia A. Scheinberg,1990 This is an excellent resource for anyone who needs to write grant proposals that compete effectively for funds The book focuses on the mechanics of developing and writing grant applications with coverage of brainstorming writing the proposal testing the funding environment developing a good problem statement selecting realistic and measurable objectives and programme implementation and evaluation There are solid practical guidelines and well documented examples including a mini proposal with critiques of each section **The**

**Routledge International Handbook of Social Work Supervision** Kieran O'Donoghue,Lambert Engelbrecht,2021-06-28 This handbook provides a comprehensive overview of social work supervision internationally and presents an analytical review of social work supervision theory practice and research Presented in seven parts International perspectives Supervision settings Roles responsibilities and relationships Models and approaches The interactional process Leading and managing supervision Emerging areas The book examines how supervision contributes to the well being development and practice of social workers It also sets the agenda for the future development of social work supervision internationally Social work supervision is examined across countries practice settings and in terms of participants roles relationships and responsibilities Contributors show how and why social work supervision is integral to social work and the rich diversity of ways supervision can be practiced Bringing together an international team of social work supervision scholars researchers supervisors and practitioners this handbook is essential reading for social workers supervisors managers policy advisors and professional leaders Social Work and Disability Peter Simcock,Rhoda Castle,2016-06-03 Social Work and Disability offers a contemporary and critical exploration of social work practice with people with physical and sensory impairments an area that has previously been marginalized within both practice and academic literature It explores how social work practice can and indeed does contribute to the promotion of disabled people s rights and the securing of positive outcomes in their lives The book begins by exploring the ways in which disability is understood and how this informs policy and practice Opening with a thought provoking account of the lived experience of a disabled person using social work services it goes on to critically analyse theory policy and contemporary legislative change Inequality oppression and diversity are the focus of the

second section of the book while the remainder offers an in depth exploration of the social work practice issues in disability settings notably work with children adults and safeguarding Service user and carer perspectives case profiles reflective activities and suggestions for further reading are included throughout Social Work and Disability will be essential reading for social work students and practitioners It will also be of interest to service users and carers students on health and social care courses third sector practitioners and advocates
